**PRIVACY OF STUDENT RECORDS**  
**Notification of Rights under FERPA**  
**for Postsecondary Institutions**

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. These rights include:

(1) The right to inspect and review the student's education records within 45 days of the day the Academy receives a request for access.

A student should submit to the Financial Aid Office, a written request that identifies the record(s) the student wishes to inspect. A Financial Aid official will make arrangements for access and notify the student of the time and place where the records may be inspected.

(2) The right to request the amendment of the student's education records that the student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.

A student who wishes to ask the Academy to amend a record should write the Academy official responsible for the record, clearly identify the part of the record the student wants changed, and specify why it should be changed.

If the Academy decides not to amend the record as requested, the Academy will notify the student in writing of the decision and the student's right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

(3) The right to provide written consent before the Academy discloses personally identifiable information from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

The Academy discloses education records without a student's prior written consent under the FERPA exception for disclosure to academy officials with legitimate educational interests. An academy official is a person employed by the Academy in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the Academy has contracted as its agent to provide a service instead of using Academy employees or officials (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another academy official in performing his or her tasks.

An academy official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for the Academy.

Upon request, the Academy also discloses education records without consent to officials of another institution in which a student seeks or intends to enroll.

(4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by the Academy to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

Family Policy Compliance Office  
U.S. Department of Education  
400 Maryland Avenue, SW  
Washington, DC 20202-5901

The Academy does not release any information known as Directory Information.

## **CAREER SERVICES**

### **PLACEMENT ASSISTANCE**

One of our primary goals is to provide the specialized, intensive training that will make our certified and/or licensed graduates highly employable. Our Academies work closely with salon owners and employers throughout the local regions so that all licensees are given an opportunity to secure a position that is the right one for them. Throughout your training, job search training is incorporated in your classes, and the Career Services Department is available if you have questions or need any assistance while you are in school. During your training, you will learn about the different salons and spas that are available, interviewing procedures, how to complete a job application, resumé preparation, and other valuable points you will need to know to help you land a great job after you are licensed. As you approach graduation, a Career Services representative meets with you to remind you of the different types of assistance the department offers, including resumé preparation, referrals and graduate follow-up. Job placement assistance remains an option for you even if you have been out of school for a while. Graduates are encouraged to keep in touch with the Academies and provide employment updates, and are always welcome to call for any information the Academies can assist with. Although the Academies work closely with our graduates through our placement assistance program, the Academies cannot guarantee employment.

### **TYPES OF EMPLOYMENT OBTAINED BY GRADUATES**

There are many opportunities for individuals entering the industry under the realm of Barbering, Cosmetology, Nail Technician, Esthetics or Massage. Your goals can guide you to a lifetime career working in a variety of professional job roles. Employment opportunities for Barbers include Barber, Stylist, Master Barber and Barber Shop Operator. Employment opportunities for Cosmetologists, Nail Technicians, Estheticians and Makeup Artists are available in individual salons, salon chains, department stores, supply houses, and day spas. ## **POLICY ON TRANSFER OF CREDITS**

### **CREDIT FOR PREVIOUS TRAINING**

Acceptance of hours from other approved schools and institutions is at the sole discretion of Bellus Academy. Students who have had prior training must furnish proof of the number of hours of training to the Academy. Transfer hours from another institution that are accepted toward the student's educational program are counted as both attempted and completed hours for the purpose of determining when the allowable maximum time frame has been exhausted. This institution will conduct an evaluation of all previous education and training, grant credit when appropriate, reduce the length of the program proportionately and keep records of this process in the students' file. The Academy only accepts transfer students under certain conditions. Students who discontinue their training program are eligible to transfer allowable hours per state law, providing certain Academy obligations have been satisfied. Bellus Academy does not award credit for prior work/life experience.

**Manhattan only:** Within 30 days after enrollment of a transfer student, the Academy shall obtain verification of the student's prior course of training including subjects, the number of hours, and practice services completed by the student, on a form approved and provided by the board from the state board or school in the state or jurisdiction where the transfer student completed the training. The Academy shall determine the subjects, hours and practice services of the transfer student's prior course of training which conforms to the curriculum requirements in K.A.R. 69-3-8 and shall give the student credit for those subjects, hours and practice services.

### **NOTICE CONCERNING TRANSFERABILITY OF CREDITS AND CREDENTIALS EARNED AT OUR INSTITUTION**

The transferability of credits you earn at Bellus Academy is at the complete discretion of an institution to which you may seek to transfer. Acceptance of the diploma or certificate you earn in any program at Bellus Academy is also at the complete discretion of the institution to which you may seek to transfer. If the diploma or certificate that you earn at this institution is not accepted at the institution to which you seek to transfer, you may be required to repeat some or all of your coursework at that institution. For this reason you should make certain that your attendance at this institution will meet your educational goals. This may include contacting an institution to which you may seek to transfer after attending Bellus Academy to determine if your credits will transfer.

### **TRANSFER OR ARTICULATION AGREEMENTS**

Bellus Academy has entered into an articulation agreement with National American University to offer our Cosmetology graduates the opportunity to obtain an Associate Degree in Health and Beauty Management. ## RETURN TO TITLE IV FUNDS

The law requires that when you withdraw during a payment period, the amount of SFA program assistance that you have earned up to that point is determined by a specific formula. If you received (or the school received on your behalf) less assistance than the amount you earned, you will be able to receive those additional funds. If you received more assistance than you earned, the excess funds must be returned. For the purpose of determining the amount you owe, you shall be deemed to have withdrawn from the course when any of the following occurs: a. You notify school of your withdrawal or the actual date of withdrawal; b. the School terminates your enrollment; c. You fail to attend classes for a 14 day period; d. You fail to return from a leave of absence. In this case, the date of withdrawal shall be deemed to be the last date of recorded attendance.

The amount of assistance that you have earned is determined on a pro-rata basis. That is, if you complete 30 percent of the payment period, you can earn 30 percent of the assistance you were originally scheduled to receive. Once you have completed more than 60 percent of the payment period or period enrollment, you earn all of your assistance.

If you received excess funds that must be returned, your school must return a portion of the excess equal to the lesser of

- Your institutional charges multiplied by the unearned percentage of your funds, or
- The entire amount of excess funds.

If the amount paid is more than the amount owed, then a refund will be made within 45 days of withdrawal. If the amount owed is more than the amount paid, then you will have to make arrangements to pay it.

## INSTITUTIONAL REFUND POLICY – CALIFORNIA

This refund policy applies to all terminations for any reason, by either party, including student decision, course or program cancellation, or school closure.

### STUDENT'S RIGHT TO CANCEL

1. A student has the right to cancel his or her agreement for a program of instruction and receive a full refund through attendance at the first class session, or the seventh calendar day after enrollment, whichever is later.
2. After the end of the cancellation period, you also have the right to stop school at any time; and you have the right to receive a pro-rata refund if you have completed sixty (60) percent or less of the program. Changes to programs, i.e. Drops and/or Adds, can only be made during the first 7 calendar days of the program.
3. Cancellation may occur when the student provides a written notice of cancellation at the following address: Bellus Academy, 13266 Poway Road, Poway, CA 92064. This can be done by mail, FAX, email or by hand delivery.
4. The cancellation date will be determined by the postmark on written notification, or the date said information is delivered to the Academy in person.
5. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.
6. If the Enrollment Agreement is cancelled, within 45 days after the notice of cancellation is received, the Academy will refund the student any money he/she paid, less a registration or administration fee not to exceed \$75, and less any deduction for equipment that the student has received and signed for.

**REMEMBER THAT YOU MUST CANCEL IN WRITING.** You do not have the right to cancel by telephoning the Academy or by not coming to class.

### WITHDRAWAL FROM THE PROGRAM

You may withdraw from the Academy at any time after the cancellation period (described above) and receive a pro-rata refund within 45 days of withdrawal if you have completed 60 percent or less of the period of attendance, based on scheduled hours. The refund will be less a registration fee not to exceed \$75, and less any deduction for equipment that the student has received and signed for.

For the purpose of determining a refund under this section, a student's official cancellation or withdrawal shall occur on the earlier of the dates of any of the following instances:

- An applicant is not accepted by the Academy. The applicant shall be entitled to a refund of all monies paid.
- The student notifies the institution of the student's withdrawal in writing.
- The institution terminates the student's enrollment for failure to maintain satisfactory progress; failure to abide by the rules and regulations of the institution; absence in excess of maximum set forth by the institution; and/or failure to meet financial obligations to the Academy.
- The student has failed to attend class for fourteen (14) calendar days, as determined by monitoring clock hour attendance at least every thirty (30) days.
- Failure to return from a leave of absence. The date of the student's withdrawal shall be the earlier of the scheduled date of return from the leave of absence or the date the student notifies the institution that the student will not be returning.

All refunds are calculated based on the student's last date of attendance.

For students who enroll and begin classes but withdraw prior to course completion (after seven business days of signing the contract), the following schedule of tuition earned by the school applies. All refunds are based on scheduled hours:

<b>Percent of Scheduled Time Enrolled to Total Program</b>	<b>Total Tuition School Shall Retain</b>
0.01% to 60%	Prorated based on percentage of scheduled attendance
60.01% and over	100%

If any portion of the tuition was paid from the proceeds of a loan or third party, the refund shall be sent to the lender, third party or, if appropriate, to the state or federal agency that guaranteed or reinsured the loan. Any amount of the refund in excess of the unpaid balance of the loan shall be first used to repay any student financial aid programs from which the student received benefits, in proportion to the amount of benefits received, and any remaining amount shall be paid to the student.

If the Academy cancels a program subsequent to a student's enrollment, and before instruction in the program has begun, the Academy shall provide a full refund of all monies paid.

If the Academy cancels a program and ceases to offer instruction after students have enrolled and instruction has begun, the Academy shall at its option:

- Provide a pro-rata refund for all students transferring to another school based on the hours accepted by the receiving school; or
- Provide completion of the program; or
- Participate in a Teach-Out Agreement; or
- Provide a full refund of all monies paid

In the event the Academy closes permanently and ceases to offer instruction after students have enrolled, and instruction has begun, the Academy will make arrangements for students to attend an alternate institution through participation in a Teach-Out Agreement. Should the student elect not to attend the alternate institution, a pro-rata refund of tuition will be made in accordance with the refund policy outlined above. Any monies due are refunded within 45 days.

When situations of mitigating circumstances are in evidence, the Academy may adopt a policy wherein the refund to the student may exceed the minimum requirements.

## SATISFACTORY ACADEMIC PROGRESS POLICY - POWAY

The Satisfactory Academic Progress Policy is consistently applied to all students enrolled at the Academy. It is printed in the catalog to ensure that all students receive a copy prior to enrollment. The policy complies with the guidelines established by the National Accrediting Commission of Career Arts and Sciences (NACCAS) and the federal regulations established by the United States Department of Education.

### ATTENDANCE PROGRESS EVALUATIONS

Students are required to attend a minimum of 75% of the hours possible based on the applicable attendance schedule in order to be considered maintaining satisfactory attendance progress. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled. At the end of each evaluation period, the school will determine if the student has maintained at least 75% cumulative attendance since the beginning of the course which indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed.

### MAXIMUM TIME FRAME

The maximum time (which does not exceed 133% of the course length) allowed for students to complete each course at satisfactory academic progress is stated below:

### ACADEMIC PROGRESS EVALUATIONS

The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical experiences. Academic learning is evaluated after each unit of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better (the computer system will reflect completion of the practical assignment as a 100% rating). If the performance does not meet satisfactory requirements, it is not counted and the performance must be repeated. At least two comprehensive practical skills evaluations will be conducted during the course of study. Practical skills are evaluated according to text procedures and set forth in practical skills evaluation criteria adopted by the school. Students must maintain a written grade average of 75% and pass a FINAL written and practical exam prior to graduation. Students must make up failed or missed tests and incomplete assignments. Numerical grades are considered according to the following scale:

93 – 100	EXCELLENT
85 – 92	VERY GOOD
75 – 84	SATISFACTORY
74 and BELOW	UNSATISFACTORY

### DETERMINATION OF PROGRESS STATUS

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making satisfactory academic progress until the next scheduled evaluation. Students will receive a hard-copy of their Satisfactory Academic Progress Determination at the time of each of the evaluations if the Satisfactory Academic Progress may affect their eligibility for Title IV funding. Students deemed not maintaining Satisfactory Academic Progress may have their Title IV Funding interrupted, unless the student is on warning or has prevailed upon appeal resulting in a status of probation.

**WARNING**

Students who fail to meet minimum requirements for attendance or academic progress are placed on warning and considered to be making satisfactory academic progress during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the warning period, the student has still not met both the attendance and academic requirements, he/she may be placed on probation and, if applicable, students may be deemed ineligible to receive Title IV funds.

**PROBATION**

Students who fail to meet minimum requirements for attendance or academic progress after the warning period will be placed on probation and considered to be making satisfactory academic progress during the probationary period, if the student appeals the decision, and prevails upon appeal. Additionally, only students who have the ability to meet the Satisfactory Academic Progress Policy standards by the end of the evaluation period may be placed on probation. Students placed on an academic plan must be able to meet requirements set forth in the academic plan by the end of the next evaluation period. Students who are progressing according to their specific academic plan will be considered making Satisfactory Academic Progress. The student will be advised in writing of the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the probationary period, the student has still not met both the attendance and academic requirements required for satisfactory academic progress or by the academic plan, he/she will be determined as NOT making satisfactory academic progress and, if applicable, students will not be deemed eligible to receive Title IV funds.

**RE-ESTABLISHMENT OF SATISFACTORY ACADEMIC PROGRESS**

Students may re-establish satisfactory academic progress and Title IV aid, as applicable, by meeting minimum attendance and academic requirements by the end of the warning or probationary period.

**INTERRUPTIONS, COURSE INCOMPLETES, WITHDRAWALS**

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal. A Leave of Absence and/or failure to return from a Leave of Absence may affect your loan interest rates and/or repayment timeline. Please see your Financial Aid representative for more information.

**APPEAL PROCEDURE**

If a student is determined to not be making satisfactory academic progress, the student may appeal the determination within ten calendar days. Reasons for which students may appeal a negative progress determination include death of a relative, an injury or illness of the student, or any other allowable special or mitigating circumstance. The student must submit a written appeal to the school on the designated form describing why they failed to meet satisfactory academic progress standards, along with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the student's situation that will allow them to achieve Satisfactory Academic Progress by the next evaluation point. Appeal documents will be reviewed and a decision will be made and reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student file. If the student prevails upon appeal, the satisfactory academic progress determination will be reversed and federal financial aid will be reinstated, if applicable.

**NONCREDIT, REMEDIAL COURSES, REPETITIONS**

Noncredit, remedial courses, and repetitions do not apply to this institution. Therefore, these items have no effect upon the Academy's satisfactory academic progress standards.

**TRANSFER HOURS**

With regard to Satisfactory Academic Progress, a student's transfer hours will be counted as both attempted and earned hours for the purpose of determining when the allowable maximum time frame has been exhausted.

## SATISFACTORY ACADEMIC PROGRESS POLICY – EL CAJON/NATIONAL CITY

The Satisfactory Academic Progress Policy is consistently applied to all students enrolled at the Academy. It is printed in the catalog to ensure that all students receive a copy prior to enrollment. The policy complies with the guidelines established by the National Accrediting Commission of Career Arts and Sciences (NACCAS) and the federal regulations established by the United States Department of Education.

### EVALUATION PERIODS

The Academy defines its academic year for the Barbering, Barbering/Cosmetology, Cosmetology and Master Makeup Artistry programs as 900 hours and 26 weeks. All other programs are defined as an academic year of 900 hours and 30 weeks. The student's first evaluation for Satisfactory Academic Progress occurs at the midpoint of the academic year or the program, whichever occurs sooner, based on actual hours as follows:

### ATTENDANCE PROGRESS EVALUATIONS

Students are required to attend a minimum of 75% of the hours possible based on the applicable attendance schedule in order to be considered maintaining satisfactory attendance progress. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled. At the end of each evaluation period, the school will determine if the student has maintained at least 75% cumulative attendance since the beginning of the course which indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed.

### MAXIMUM TIME FRAME

The maximum time (which does not exceed 133% of the course length) allowed for students to complete each course at satisfactory academic progress is stated below:

COURSE	MAXIMUM TIME ALLOWED

The maximum time allowed for transfer students who need less than the full course requirements will be determined based on 75% of the scheduled contracted hours.

#### **ACADEMIC PROGRESS EVALUATIONS**

The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical experiences. Academic learning is evaluated after each unit of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better (the computer system will reflect completion of the practical assignment as a 100% rating). If the performance does not meet satisfactory requirements, it is not counted and the performance must be repeated. At least two comprehensive practical skills evaluations will be conducted during the course of study. Practical skills are evaluated according to text procedures and set forth in practical skills evaluation criteria adopted by the school. Students must maintain a written grade average of 75% and pass a FINAL written and practical exam prior to graduation. Students must make up failed or missed tests and incomplete assignments. Numerical grades are considered according to the following scale:

93 – 100	EXCELLENT
85 – 92	VERY GOOD
75 – 84	SATISFACTORY
74 and BELOW	UNSATISFACTORY

#### **DETERMINATION OF PROGRESS STATUS**

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making satisfactory academic progress until the next scheduled evaluation. Students will receive a hard-copy of their Satisfactory Academic Progress Determination at the time of each of the evaluations if the Satisfactory Academic Progress may affect their eligibility for Title IV funding. Students deemed not maintaining Satisfactory Academic Progress may have their Title IV Funding interrupted, unless the student is on warning or has prevailed upon appeal resulting in a status of probation.

#### **WARNING**

Students who fail to meet minimum requirements for attendance or academic progress are placed on warning and considered to be making satisfactory academic progress during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the warning period, the student has still not met both the attendance and academic requirements, he/she may be placed on probation and, if applicable, students may be deemed ineligible to receive Title IV funds.

**PROBATION**

Students who fail to meet minimum requirements for attendance or academic progress after the warning period will be placed on probation and considered to be making satisfactory academic progress during the probationary period, if the student appeals the decision, and prevails upon appeal. Additionally, only students who have the ability to meet the Satisfactory Academic Progress Policy standards by the end of the evaluation period may be placed on probation. Students placed on an academic plan must be able to meet requirements set forth in the academic plan by the end of the next evaluation period. Students who are progressing according to their specific academic plan will be considered making Satisfactory Academic Progress. **RE-ESTABLISHMENT OF SATISFACTORY ACADEMIC PROGRESS**

Students may re-establish satisfactory academic progress and Title IV aid, as applicable, by meeting minimum attendance and academic requirements by the end of the warning or probationary period.

**INTERRUPTIONS, COURSE INCOMPLETES, WITHDRAWALS**

Students will receive a hard-copy of their Satisfactory Academic Progress Determination at the time of each of the evaluations if the Satisfactory Academic Progress may affect their eligibility for Title IV funding. Students deemed not maintaining Satisfactory Academic Progress may have their Title IV Funding interrupted, unless the student is on warning or has prevailed upon appeal resulting in a status of probation.

### **WARNING**

Students who fail to meet minimum requirements for attendance or academic progress are placed on warning and considered to be making satisfactory academic progress during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation.
