CREDIT FOR PREVIOUS TRAINING

Acceptance of hours from other approved schools and institutions is at the sole discretion of Bellus Academy. Students who have had prior training must furnish proof of the number of hours of training to the Academy. Transfer hours from another institution that are accepted toward the student's educational program are counted as both attempted and completed hours for the purpose of determining when the allowable maximum time frame has been exhausted. This institution will conduct an evaluation of all previous education and training, grant credit when appropriate, reduce the length of the program proportionately and keep records of this process in the students' file. The Academy only accepts transfer students under certain conditions. Students who discontinue their training program are eligible to transfer allowable hours per state law, providing certain Academy obligations have been satisfied. Bellus Academy does not award credit for prior work/life experience.

Within 30 days after enrollment of a transfer student, the Academy shall obtain verification of the student's prior course of training including subjects, the number of hours, and practice services completed by the student, on a form approved and provided by the board from the state board or school in the state or jurisdiction where the transfer student completed the training. The Academy shall determine the subjects, hours and practice services of the transfer student's prior course of training which conforms to the curriculum requirements in K.A.R. 69-3-8 and shall give the student credit for those subjects, hours and practice services.

NOTICE CONCERNING TRANSFERABILITY OF CREDITS AND CREDENTIALS EARNED AT OUR INSTITUTION

The transferability of credits you earn at Bellus Academy is at the complete discretion of an institution to which you may seek to transfer. Acceptance of the diploma or certificate you earn in any program at Bellus Academy is also at the complete discretion of the institution to which you may seek to transfer. If the diploma or certificate that you earn at this institution is not accepted at the institution to which you seek to transfer, you may be required to repeat some or all of your coursework at that institution. For this reason you should make certain that your attendance at

this institution will meet your educational goals. This may include contacting an institution to which you may seek to transfer after attending Bellus Academy to determine if your credits will transfer.

The availability of social media (Facebook, YouTube, Twitter, etc.) carries the responsibility to use these forms of communication with integrity in networking for employment and/or social interaction; therefore, students shall refrain from making any public statement or statements, through social media or otherwise, about the Academy and/or other students, former students, instructors, or employees and staff members of the Academy.

Violation or non-compliance with this policy will result in disciplinary action, up to and including immediate termination from the Academy.

TARDINESS POLICY

Each student is very important to Bellus Academy. Regular attendance is essential to the successful performance of each of our programs and is especially important in the development of our future leaders in the Beauty and Wellness industry. Tardiness is considered unexcused time, as it is deemed unprofessional behavior. All tardy hours are calculated into the total allowable absence hours.

All students are expected to be in their appropriate roll-call room, clocked in and ready to study at their regular starting time and remain in the classrooms and/or on the campus until their regular scheduled quitting time, except when clocked out for lunch break. Students not physically present in class, per their class start time, are considered tardy.

Student attendance is monitored closely so that students maintain satisfactory progress. Failure to maintain the assigned class schedule may cause a student to be placed on probation, possibly resulting in the discontinuance of financial aid, which could increase the student's personal financial obligation to the Academy. Students should notify their instructor or call the Absent Hotline / front desk before the scheduled start time of their class if they are going to be late for school. Students should provide their full name, student ID number, the instructor's name (to notify them), and when they expect to be at school.

When a student shows up late for school, they cannot attend the Theory portion of class in progress. The student can choose to not clock in and leave the campus until the first scheduled break or clock in and have the Academy Director assign a task to be completed by the student until they are allowed to join the class in session. Tardy students will not get Theory hours for the day.

INDIVIDUAL CAMPUSES MAY HAVE VARYING START TIMES DEPENDING ON PROGRAMS OFFERED AT EACH CAMPUS. PLEASE SEE THE SCHEDULE POSTED AT THE TIME CLOCK AND/OR FRONT DESK AT YOUR LOCATION.

ABSENCE POLICY

Students must notify their instructor or call the Absent Hotline / front desk before the scheduled start time of their class if they are not able to attend school. Students should provide their full name, student ID number, the instructor's name (to notify them), the reason for being absent and when they expect to return.

Students on a schedule that includes mandatory Saturday attendance cannot be absent without prior approval from the Request Time Off Form (available from the Experience Coordinator) or other valid documentation. Suspended hours may not be made up.

LEAVING EARLY

In order to be granted time off for leaving early, students must submit the approved Request Time Off Form to the Experience Coordinator on duty. The request must be approved by their instructor, floor manager or the Academy Director. Submitting this form helps to avoid classroom interruptions and client scheduling issues.

If a student is clocked in and cannot be found on the campus by the instructor during a period of time, they will not get credit for any hours on that day from that point on.

STUDENT LOCKERS AND PERSONAL ITEMS POLICY

Students are responsible for their own personal property. The Academy is not responsible for loss or theft of personal items. All articles should be labeled with permanent marker or engraved with the student's name. **Please note:** Student lockers are subject to inspection at any time. State Board inspectors may ask to have personal lockers opened during a State Board inspection of the premises. It is grounds for a citation if inspectors do not have access to all facilities. Each student will be assigned a locker for their training period. All personal belongings and all valuable equipment should be kept in the locker. This includes: purse, money, makeup, shoes, clothing, etc.

ACADEMY UNIFORM

Specific uniform requirements are issued to each student prior to class start. The required uniform includes the following:

- | | | |
|---|---|--|
| Barbering | - | Barber jacket (included in kit); solid black slacks. |
| Cosmetology / Nail Technicians / Makeup | - | Solid black shirts or tops or Academy T-shirt; solid black slacks; solid black dresses or skirts no shorter than the bottom of the finger tips and must be worn with tights or leggings. |
| Massage Programs | - | Black scrubs (included in kit); solid black slacks. |
| Esthetician | - | Black Academy smocks (included in kit); solid black slacks. |

STUDENT ID

New students will be issued a picture ID badge showing their student ID number and campus location. Students must wear their ID badge when on academy premises. If lost or stolen, students may purchase a new ID badge for \$5.

STUDENT PHOTO RELEASE

Students attending Bellus Academy give the school the absolute right and permission to take photographs and/or video of the students in class, in clinic or in lab for advertising, trade publications and/or any other lawful practice.

GRADING METHODS AND REPORTS

The Academy maintains complete records on each student or graduate for reference, as required by law. All students receive a complete theory and practical test toward the end of the training program. This test simulates the actual state licensing exam procedure and constitutes a final exam.

Each student is graded on their theory and practical work, attendance, appearance, and attitude. The grading used is as follows:

93 – 100	EXCELLENT
85 – 92	VERY GOOD
75 – 84	SATISFACTORY
74 and BELOW	UNSATISFACTORY

Written progress reports are maintained by the Academy. Students receive progress reports that must be signed and kept in their file at least two (2) times during their program. Informal progress reports are distributed monthly so students can keep track of their progress. Additional progress reports may be issued to students as requested or on an as needed basis determined by the instructor. A written report is kept and will be presented to any student who requests this record in the future.

CAREER OPPORTUNITIES

There are many opportunities for individuals entering the industry under the realm of Cosmetology, Nail Technician, Esthetics or Massage. Your goals can guide you to a lifetime career working in a variety of professional job roles. Entry-level employment opportunities for Cosmetologists, Nail Technicians, Estheticians and Makeup Artists are available in individual salons, salon chains, department stores, supply houses, and day spas. Estheticians and Massage Therapists can seek positions in medical arenas, such as med-spas, chiropractic offices, dermatology offices and

cosmetic surgeons' offices. The most successful graduates possess several personal qualities in addition to their acquired skills. These valuable qualities include, but are not limited to a variety of business and marketing skills, including above-average people skills, good communication abilities, a sound work ethic and confidence.

PLACEMENT ASSISTANCE

One of our primary goals is to provide the specialized, intensive training that will make our certified and/or licensed graduates highly employable. Our Academy works closely with salon owners and employers throughout the local regions so that all licensees are given an opportunity to secure a position that is the right one for them. Throughout your training, job search training is incorporated in your classes, and the Career Services Department is available if you have questions or need any assistance while you are in school. During your training, you will learn about the different salons and spas that are available, interviewing procedures, how to complete a job application, resumé preparation, and other valuable points you will need to know to help you land a great job after you are licensed. As you approach graduation, a Career Services representative meets with you to remind you of the different types of assistance the department offers, including resumé preparation, referrals and graduate follow-up. Job placement assistance remains an option for you even if you have been out of school for a while. Graduates are encouraged to keep in touch with the Academy and provide employment updates, and are always welcome to call for any information the Academy can assist with. Although the Academy works closely with our graduates through our placement assistance program, the Academy cannot guarantee employment.

ALUMNI ASSOCIATION

The Alumni Association supports the continued success of our licensed graduates by providing internationally acclaimed guest speakers, discounts on advanced education, discounts on professional products and equipment, development of a network of successful professionals, and providing extensive placement opportunities. Joining the Alumni Association keeps you informed of the latest events and trends in the industry.

This elite certification will allow for employment on cruise ships that travel internationally, exclusive resort destinations with numerous global sites, as well as employment in spas in the U.S., Europe, Canada, and Australia.

Bellus Academy students and graduates are eligible for international certification through ITEC. ITEC components and qualifications are incorporated within the curriculum of several programs offered at Bellus Academy. Qualifications are verified prior to participation in the ITEC Examination process (exam fees may vary per program).

For more information on ITEC, please visit the website at: <http://www.itecworld.co.uk/>

CONSUMER INFORMATION / GAINFUL EMPLOYMENT

CIP CODES

US Department of Education regulations as of July 1, 2011, require the Academy to identify programs by **Classification of Instructional Programs (CIP)** Codes, with links to the US Department of Labor/Employment and Training Administration's Occupational Information Network (O*Net). CIP Codes were developed by the U.S. Department of Education's National Center for Education Statistics (NCES) to provide a method for tracking and reporting program activity that is common to all institutions. For more information regarding CIP Codes please visit the website at nces.ed.gov/ipeds/cipcode.

SOC CODES

NACCAS accrediting agency policies as of July 1, 2011, require the Academy to identify programs by **Standard Occupational Classification (SOC)** Codes. The SOC system is used by Federal statistical agencies to classify workers into occupational categories. Detailed occupations with similar job duties, and in some cases skills, education, and/or training, are grouped together. For more information regarding SOC Codes please visit the website at www.bls.gov/SOC/.

O*NET

The O*NET program is the nation's primary source of occupational information. Central to the project is the O*NET database, containing information on hundreds of standardized and occupation-specific descriptors. Utilizing the SOC Codes, O*Net provides easy to read career reports that include the most critical on-the-job tasks and skills. Job seekers can also find local salary information and training opportunities. For more information regarding O*Net please visit the website at www.onetcenter.org/overview.html.

TERMS OF PAYMENT

In addition to Financial Aid Assistance for qualifying students, individual financing and payment programs are available. Monthly payments vary according to down payment, applicable fees, any interest accrued and the length of time (number of months) defined in the payment contract.

TUITION AND FEES

Tuition and fees are due and payable on the first day of class. Payments are accepted by cash, check or credit card. For those students using financial aid, payments are due when the aid is received at the Academy.

Students who do not make payment arrangements or fail to make their scheduled payments, may be subject to any one or all of the following: suspension, termination and/or the student's account turned over to collections.

All contracted tuition, fees, registration, equipment, kit and overtime charges must be paid, or payment arrangements made, before final paperwork is released.

OVERTIME CHARGES

Overtime occurs when a student has not completed their program of study by the completion date stated on their Enrollment Agreement. Students can attend beyond their scheduled completion date to complete their program, at no additional charge, up to 7.5% of their total program hours. (See Tuition and Fee Schedule in this catalog for specific hours.) If training is not completed by the prescribed time limit, and the allowable absence hours have been exhausted, additional tuition charges will accrue at the hourly rate stated on the student's contract at the time of enrollment until the time the student meets the graduation requirements. (See the Overtime Hourly Rate for each program in the above Tuition and Fee Schedule.) Absence hours, whether allowable or overtime, always extend the student's graduation date from the date scheduled on the Enrollment Agreement. Students must meet with Financial Aid to determine a payment plan at the time that overtime charges begin to accrue.

All students who enroll during that time period are eligible for the scholarship. Ask your Admissions Representative for information regarding current scholarships that may be available.

INFORMATION FOR FINANCIAL AID APPLICANTS

ELIGIBILITY REQUIREMENTS

Students must meet certain eligibility requirements to receive Federal Student Aid (FSA) funds*. Students must:

1. Provide documentation of either a high school diploma or a General Education Diploma (GED) certificate.
2. Be enrolled in an eligible program.
3. Have a valid Social Security card.
4. Register with Selective Service if required.
5. Be either a U.S. citizen or a permanent resident.
6. Not be in default with any federal student loans, nor owe an overpayment on any federal student aid grant.

*Some students may not be eligible based on drug related offenses.

APPLICATION PROCEDURE

The first step in applying for Title IV Federal Financial Aid is to complete the Free Application for Federal Student Aid (FAFSA) at www.fafsa.ed.gov. Additionally, the student (or parent if applicable) may need to complete any one or all of the following:

1. Loan entrance counseling
2. Authorization form
3. Promissory note
4. Parent PLUS loan request form and promissory note
5. Verification worksheet
6. Payment options

CRITERIA FOR SELECTION OF ELIGIBLE APPLICANTS

Students who are eligible for Title IV Financial Assistance are accepted for enrollment if they have met all of the admission requirements of the Academy and have established a class start date convenient for the student and the Academy.

DETERMINING THE AMOUNT OF YOUR FINANCIAL AID

Upon completion of the FAFSA, the student is given an Expected Family Contribution (EFC) number. The EFC is used to determine how much and what kind of financial aid a student is eligible for. In addition to the EFC, the direct and indirect costs of the program, enrollment status, length of enrollment, and funds available at the Academy will also impact award amounts. The Financial Aid office will provide entrance and exit counseling utilizing the Department of Education online website applications at www.studentloans.gov.

DISBURSEMENTS

Financial aid funds are disbursed at evaluation periods for completed hours. Please refer to the Satisfactory Academic Progress policy in this catalog for further details. FSEOG funds are disbursed at the same time as other financial aid funds, but are only available in the first academic year on a first-come, first-served basis.

FINANCIAL AID PROGRAMS

Bellus Academy administers federal programs of student assistance including:

Pell Grant (FPELL): Federal Pell grants are awarded to students who have not earned a bachelor's or professional degree. Because they are grants, funds are not typically repaid (unless you withdraw from school prior to the end of the award period). Eligibility is determined according to need, number of hours in the academic program, and the cost of attendance.

Supplemental Educational Opportunity Grant (SEOG): This program is for students with exceptional financial need. Your eligibility can be determined after review of your PELL eligibility.

William D. Ford Federal Direct Loans: The Direct Loan program provides educational loan(s) that must be repaid, with interest, even if you do not complete your academic program. Loans may be obtained through the William D. Ford Federal Direct Loan Program. Generally, all students who complete a FAFSA and are not in default on any previous federal student loan(s) are eligible for the program. Loans obtained through this program are lower fixed interest rate loans that are guaranteed by the U.S. Department of Education. A student can apply for Direct Loans through the Academy's Financial Aid Department.

Federal Subsidized Loan: The Subsidized Loan is awarded to students who demonstrate financial need. Subsidized loans do not charge the borrower with interest on the amount borrowed while in school and up through a six month grace period after leaving school.

Note: Loans for students who have exceeded the maximum eligibility period (150% of the program length) for attendance on their Federal loan eligibility could begin to accrue interest after the student exceeds the 150% limit. Interest accrued in such a manner accumulates and is added to the principal amount of your loan. Interest does not accrue retroactively to the date the loan was disbursed. For more information please see your Financial Aid Officer or visit: <https://studentaid.ed.gov/types/loans/subsidized-unsubsidized>.

Federal Unsubsidized Loan: The Federal Unsubsidized Loan allows students to borrow a Federal Direct Loan who did not demonstrate sufficient financial need for the subsidized version. The same terms and conditions as the Subsidized Loan apply, except that the borrower is responsible for interest that accrues while she/he is in school and after leaving school. Generally, you may choose to make interest payments

on the loan while you are in school or have the interest added to your principal balance (capitalized) when your repayment schedule begins (six months after your last day of attendance).

Federal Parent PLUS Loans: The Federal Parent PLUS loan is available to parents of dependent students with good credit to help pay their child's educational expenses. PLUS loans are not based on need. They can be combined with other financial aid resources and cannot exceed the student's cost of education.

Veterans Educational Benefits: The programs at Bellus Academy are approved by the Kansas State Approving Agency for use of the GI Bill. For more information on veterans benefits, please see your Admissions Representative.

MyCAA: Military Spouse Career Advancement Accounts (MyCAA) provide financial assistance for educational purposes for qualified military spouses meeting eligibility requirements. For information regarding amounts and eligibility please visit the website at: www.militaryonesource.com/MOS/FindInformation/Category/MilitarySpouseCareerAdvancementAccounts.aspx.

Tuition Flex: The Academy offers multiple, flexible payment plan options through Education Loan Source. These payment plans allow students to spread payments over a pre-set period of time, as opposed to paying the full amount up-front. Students choose the program that best fits within their budget. An interest rate may apply depending on the plan chosen. No credit check is required at the time of application, and the process is completed 100% online using an e-signature validation.

Sallie Mae Career Training Loans: In addition to the above programs, Bellus Academy offers financial assistance through Sallie Mae Career Training Loans. Eligibility and student need are based on the Sallie Mae Career Training Loan program requirements. Any student interested in applying for a Sallie Mae Career Training Loan may contact the financial aid department at the Academy.

ADDITIONAL INFORMATION

If a student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. If the student has received federal student financial aid funds, the student is entitled to a refund of the moneys not paid from federal student financial aid program funds.

For more information regarding student and parent loans, please refer to the US Department of Education publication, "Funding Education Beyond High School" at www.edpubs.gov/document/EN0990P.pdf, or visit the website at www.studentloans.gov.

All students are requested to meet with Financial Aid for an Exit interview prior to leaving the Academy.

Financial Aid Officers are available at all campuses from 9 am to 5 pm, Monday through Friday, or by appointment.

INSTITUTIONAL REFUND POLICY

This refund policy applies to all terminations for any reason, by either party, including student decision, course or program cancellation, or school closure.

STUDENT'S RIGHT TO CANCEL

1. A student has the right to cancel his or her agreement for a program of instruction and receive a full refund within three (3) business days of signing the Enrollment Agreement regardless of whether the student has actually started training.
2. After the end of the cancellation period, you also have the right to stop school at any time; and you have the right to receive a pro-rata refund if you have completed less than sixty (60) percent of the program. Changes to programs, i.e. Drops and/or Adds, can only be made during the first 7 calendar days of the program.
3. Cancellation may occur when the student provides a written notice of cancellation at the following address: Bellus Academy, 1130 Westloop Place, Manhattan, KS 66502. This can be done by mail, FAX, email or by hand delivery.
4. The cancellation date will be determined by the postmark on written notification, or the date said information is delivered to the Academy in person.
5. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.
6. If the Enrollment Agreement is cancelled after three (3) business days of signing, but prior to starting classes, the Academy will refund the student any money he/she paid, less a registration fee not to exceed \$75, within 45 days after the notice of cancellation is received.

REMEMBER THAT YOU MUST CANCEL IN WRITING. You do not have the right to cancel by telephoning the Academy or by not coming to class.

WITHDRAWAL FROM THE PROGRAM

You may withdraw from the Academy at any time after the cancellation period (described above) and receive a pro-rata refund within 45 days of withdrawal if you have completed less than 60 percent of the period of attendance, based on scheduled hours. The refund will be less a registration fee not to exceed \$75, and less any deduction for equipment that the student has received and signed for.

For the purpose of determining a refund under this section, a student's official cancellation or withdrawal shall occur on the earlier of the dates of any of the following instances:

- An applicant is not accepted by the Academy. The applicant shall be entitled to a refund of all monies paid.
- The student notifies the institution of the student's withdrawal in writing.
- The institution terminates the student's enrollment for failure to maintain satisfactory progress; failure to abide by the rules and regulations of the institution; absence in excess of maximum set forth by the institution; and/or failure to meet financial obligations to the Academy.
- The student has failed to attend class for fourteen (14) calendar days, as determined by monitoring clock hour attendance at least every thirty (30) days.
- Failure to return from a leave of absence. The date of the student's withdrawal shall be the earlier of the scheduled date of return from the leave of absence or the date the student notifies the institution that the student will not be returning.

All refunds are calculated based on the student's last date of attendance.

For students who enroll and begin classes but withdraw prior to course completion (after three business days of signing the contract), the following schedule of tuition earned by the school applies. All refunds are based on scheduled hours:

<u>Percent of Scheduled Time Enrolled to Total Program</u>	<u>Total Tuition School Shall Retain</u>
0.01% to 59.9%	Prorated based on percentage of scheduled attendance
60% and over	100%

If any portion of the tuition was paid from the proceeds of a loan or third party, the refund shall be sent to the lender, third party or, if appropriate, to the state or federal agency that guaranteed or reinsured the loan. Any amount of the refund in excess of the unpaid balance of the loan shall be first used to repay any student financial aid programs from which the student received benefits, in proportion to the amount of benefits received, and any remaining amount shall be paid to the student.

If the Academy cancels a program subsequent to a student's enrollment, and before instruction in the program has begun, the Academy shall provide a full refund of all monies paid.

If the Academy cancels a program and ceases to offer instruction after students have enrolled and instruction has begun, the Academy shall at its option:

- Provide a pro-rata refund for all students transferring to another school based on the hours accepted by the receiving school; or
- Provide completion of the program; or
- Participate in a Teach-Out Agreement; or
- Provide a full refund of all monies paid

In the event the Academy closes permanently and ceases to offer instruction after students have enrolled, and instruction has begun, the Academy will make arrangements for students to attend an alternate institution through participation in a Teach-Out Agreement. Should the student elect not to attend the alternate institution, a pro-rata refund of tuition will be made in accordance with the refund policy outlined above. Any monies due are refunded within 45 days.

When situations of mitigating circumstances are in evidence, the Academy may adopt a policy wherein the refund to the student may exceed the minimum requirements.

RETURN TO TITLE IV FUNDS

The law requires that when you withdraw during a payment period, the amount of SFA program assistance that you have earned up to that point is determined by a specific formula. If you received (or the school received on your behalf) less assistance than the amount you earned, you will be able to receive those additional funds. If you received more assistance than you earned, the excess funds must be returned. For the purpose of determining the amount you owe, you shall be deemed to have withdrawn from the program when any of the following occurs: a. You notify school of your withdrawal or the actual date of withdrawal; b. the School terminates your enrollment; c. You fail to attend classes for a 14 day period; d. You fail to return from a leave of absence. In this case, the date of withdrawal shall be deemed to be the last date of recorded attendance.

The amount of assistance that you have earned is determined on a pro-rata basis. That is, if you complete 30 percent of the payment period, you can earn 30 percent of the assistance you were originally scheduled to receive. Once you have completed more than 60 percent of the payment period or period enrollment, you earn all of your assistance.

If you received excess funds that must be returned, your school must return a portion of the excess equal to the lesser of

- Your institutional charges multiplied by the unearned percentage of your funds, or
- The entire amount of excess funds.

If the amount paid is more than the amount owed, then a refund will be made within 45 days of withdrawal. If the amount owed is more than the amount paid, then you will have to make arrangements to pay it.

The law provides that you are not required to return 50% of the grant assistance that you receive that is your responsibility to repay. Any amount that you do have to return is a grant overpayment, and you must make arrangements with your school or the Department of Education to return the funds.

Students are advised that they may owe money to the school if they withdraw, as the Institutional Refund Policy will apply for contract purposes.

SATISFACTORY ACADEMIC PROGRESS POLICY

The Satisfactory Academic Progress Policy is consistently applied to all students enrolled at the Academy. It is printed in the catalog to ensure that all students receive a copy prior to enrollment. The policy complies with the guidelines established by the National Accrediting Commission of Career Arts and Sciences (NACCAS) and the federal regulations established by the United States Department of Education.

EVALUATION PERIODS

The Academy defines its academic year as 900 hours and 26 weeks. The student's first evaluation for Satisfactory Academic Progress occurs at the midpoint of the academic year or the program, whichever occurs sooner, based on actual hours as follows:

COURSE	EVALUATION POINTS – ACTUAL HOURS
Barbering	450, 900, 1200
Cosmetology	450, 900, 1200, 1500
Cosmetology 102	450, 900, 1275, 1650
Esthetics	450, 900, 1000
Esthetics 102	450, 900, 1150
Massage Therapy	420, 840
Nail Technology	175, 350
Makeup Artistry	75, 150

Transfer Students – Midpoint of the contracted hours or the established evaluation periods, whichever comes first.

Evaluations will determine if the student has met the minimum requirements for satisfactory academic progress. The frequency of evaluations ensures that students have had at least one evaluation by midpoint in the course.

ATTENDANCE PROGRESS EVALUATIONS

Students are required to attend a minimum of 75% of the hours possible based on the applicable attendance schedule in order to be considered maintaining satisfactory attendance progress. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled. At the end of each evaluation period, the school will determine if the student has maintained at least 75% cumulative attendance since the beginning of the course which indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed.

MAXIMUM TIME FRAME

The maximum time (which does not exceed 133% of the course length) allowed for students to complete each course at satisfactory academic progress is stated below. Students who exceed the maximum time frame will be dropped from the program.

COURSE	MAXIMUM TIME ALLOWED	
	WEEKS	SCHEDULED HOURS
Barbering (Full time, 35 hrs/wk) – 1200 Hours	47 Weeks	1596
Barbering (Part time, 25 hrs/wk) – 1200 Hours	64 Weeks	1596
Cosmetology (Full time, 35 hrs/wk) – 1500 Hours	58 Weeks	1995
Cosmetology (Part time, 25 hrs/wk) – 1500 Hours	80 Weeks	1995
Cosmetology 102 (Full time, 35 hrs/wk) – 1650 Hours	63 Weeks	2194
Cosmetology 102 (Part time, 25 hrs/wk) – 1650 Hours	88 Weeks	2194
Esthetics (Full time, 35 hrs/wk) – 1000 Hours	39 Weeks	1330
Esthetics 102 (Full time, 35 hrs/wk) – 1150 Hours	44 Weeks	1529
Massage Therapy (Full time, 35 hrs/wk) – 840 Hours	32 Weeks	1117
Massage Therapy (Part time, 25 hrs/wk) – 840 Hours	46 Weeks	1117
Nail Technology (Full time, 35 hrs/wk) – 350 Hours	14 Weeks	465
Makeup Artistry (Full time, 35 hrs/wk) – 150 Hours	6 Weeks	199
Makeup Artistry (Part time, 25 hrs/wk) – 150 Hours	8 Weeks	199

The maximum time allowed for transfer students who need less than the full course requirements or part-time students will be determined based on 75% of the scheduled contracted hours.

ACADEMIC PROGRESS EVALUATIONS

The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical experiences. Academic learning is evaluated after each unit of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as

satisfactory or better (the computer system will reflect completion of the practical assignment as a 100% rating). If the performance does not meet satisfactory requirements, it is not counted and the performance must be repeated. At least two comprehensive practical skills evaluations will be conducted during the course of study. Practical skills are evaluated according to text procedures and set forth in practical skills evaluation criteria adopted by the school. Students must maintain a written grade average of 75% and pass a FINAL written and practical exam prior to graduation. Students must make up failed or missed tests and incomplete assignments. Numerical grades are considered according to the following scale:

93 – 100	EXCELLENT
85 – 92	VERY GOOD
75 – 84	SATISFACTORY
74 and BELOW	UNSATISFACTORY

DETERMINATION OF PROGRESS STATUS

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making satisfactory academic progress until the next scheduled evaluation. Students will receive a hard-copy of their Satisfactory Academic Progress Determination at the time of each of the evaluations if the Satisfactory Academic Progress may affect their eligibility for Title IV funding. Students deemed not maintaining Satisfactory Academic Progress may have their Title IV Funding interrupted, unless the student is on warning or has prevailed upon appeal resulting in a status of probation.

WARNING

Students who fail to meet minimum requirements for attendance or academic progress are placed on warning and considered to be making satisfactory academic progress during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the warning period, the student has still not met both the attendance and academic requirements, he/she may be placed on probation and, if applicable, students may be deemed ineligible to receive Title IV funds.

PROBATION

Students who fail to meet minimum requirements for attendance or academic progress after the warning period will be placed on probation and considered to be making satisfactory academic progress during the probationary period, if the student appeals the decision, and prevails upon appeal. Additionally, only students who have the ability to meet the Satisfactory Academic Progress Policy standards by the end of the evaluation period may be placed on probation. Students placed on an academic plan must be able to meet requirements set forth in the academic plan by the end of the next evaluation period. Students who are progressing according to their specific academic plan will be considered making Satisfactory Academic Progress. The student will be advised in writing of the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the probationary period, the student has still not met both the attendance and academic requirements required for satisfactory academic progress or by the academic plan, he/she will be determined as NOT making satisfactory academic progress and, if applicable, students will not be deemed eligible to receive Title IV funds.

RE-ESTABLISHMENT OF SATISFACTORY ACADEMIC PROGRESS

Students may re-establish satisfactory academic progress and Title IV aid, as applicable, by meeting minimum attendance and academic requirements by the end of the warning or probationary period.

INTERRUPTIONS, COURSE INCOMPLETES, WITHDRAWALS

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal. A Leave of Absence and/or failure to return from a Leave of Absence may affect your loan interest rates and/or repayment timeline. Please see your Financial Aid representative for more information.

APPEAL PROCEDURE

If a student is determined to not be making satisfactory academic progress, the student may appeal the determination within ten calendar days. Reasons for which students may appeal a negative progress determination include death of a relative, an injury or illness of the student, or any other allowable special or mitigating circumstance. The student must submit a written appeal to the school on the designated form describing why they failed to meet satisfactory academic progress standards, along with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the student's situation that will allow them to achieve Satisfactory Academic Progress by the next evaluation point. Appeal documents will be reviewed and a decision will be made and reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student file. If the student prevails upon appeal, the satisfactory academic progress determination will be reversed and federal financial aid will be reinstated, if applicable.

NONCREDIT, REMEDIAL COURSES, REPETITIONS

Noncredit, remedial courses, and repetitions do not apply to this institution. Therefore, these items have no effect upon the Academy's satisfactory academic progress standards.

TRANSFER HOURS

With regard to Satisfactory Academic Progress, a student's transfer hours will be counted as both attempted and earned hours for the purpose of determining when the allowable maximum time frame has been exhausted.

MANDATED HOURS OF ATTENDANCE POLICY

Students must complete the state-mandated hours per their program of study. These requirements are as follows:

Barbering	Satisfactory completion of 1200 hours
Cosmetology	Satisfactory completion of 1500 hours
Cosmetology 102	Satisfactory completion of 1650 hours
Esthetics	Satisfactory completion of 1000 hours
Esthetics 102	Satisfactory completion of 1150 hours
Nail Technology	Satisfactory completion of 350 hours
Massage Therapy	Satisfactory completion of 840 hours
Makeup Artistry	Satisfactory completion of 150 hours

LEAVE OF ABSENCE POLICY

An authorized leave of absence (LOA) is a temporary interruption in a student's program of study. LOA refers to the specific time period during a program when a student is not in attendance. A Leave of Absence is restricted to Medical, Military, or Family Emergency.

In order for an LOA to qualify as an approved LOA, the request for leave of absence must be submitted in advance in writing, must include the reason for the student's request, the expected return date and must be signed by the student.

In the event that unforeseen circumstances prevent a student from providing the request prior to the LOA, the Academy will document the reason for granting the LOA and will require the request from the student at a later date. In this instance, the beginning date of the approved LOA would be determined by the Academy to be the first date the student was unable to attend the Academy because of the circumstance.

Students requesting a leave of absence from the institution must submit a written request to a Student Services or Financial Aid Representative in advance of the time off requested. The request should be signed and dated by the student and must contain the dates the student expects to be unable to attend school, including the date the student expects to return to school. All leave of absence requests must be approved by the Academy Director.

A student on a leave of absence will incur no additional charges by the school. A Leave of Absence and/or failure to return from a Leave of Absence may affect your loan interest rates and/or repayment timeline. Please see your Financial Aid representative for more information.

The LOA, together with any additional leaves of absence, must not exceed a total of 180 days in any 12- month period.

A student granted an LOA that meets these criteria is not considered to have withdrawn, and no refund calculation is required at that time. The Academy will extend the student's contract period by the same number of days taken in the LOA. Changes to the contract period on the enrollment agreement must be initialed by all parties or an addendum must be signed and dated by all parties.

If a student loan recipient does not return from an approved leave of absence, the withdrawal date will be set retroactively and the student could have used up some or all of the grace period for their loan. The grace period starts on the last day of attendance. The withdrawal date for the purpose of calculating a refund is always the student's last day of attendance. All refunds will be due 45 days from the date of determination. Any student failing to return to the Academy after the expiration of a leave of absence will be withdrawn from school on that day and the withdrawal date will be their last day of attendance. Students who do not return are required to complete an exit interview with the Academy's Financial Aid department.

DROP-OUT POLICY

The student's enrollment may be terminated at the election of the Academy Director, if the student's academic progress, behavior, absences, lateness, or dress does not conform to the requirements, rules and regulations of the Academy (as stated in the catalog and Guidelines for Success); in which event, the extent of the student's tuition obligation will be in accordance with the Academy's refund policy.

RE-ENROLLMENT POLICY

Students desiring to reinstate in the Academy within six months of their last date of attendance will be readmitted at their original cost. Students desiring to re-enroll in the Academy after a 6-month lapse must sign a new enrollment agreement. The new enrollment agreement will be based on the current cost of tuition and fees; however, the previous hours earned may be used as credit in computing new charges, depending on the elapsed time between the last day attended and re-enrollment. Please consult with your Admissions Representative regarding the Academy's

transfer policy for specific information. A student re-enrolling re-enters at the same progress status as when they left. A re-enrolling student failing to meet minimum satisfactory progress requirements at the time of withdrawal will have the same status when they return. Re-enrolling students on probation are not eligible to receive Financial Aid and will be admitted on a cash basis only. Financial Aid may be reinstated when the student achieves satisfactory progress at their next evaluation point.
