## **NON-DISPARAGEMENT POLICY – Positive Representation of Bellus Academy**

Students of the academy acknowledge and agree that Disparagement refers to negative remarks about the academy, its students, employees and associates, which are made maliciously and/or recklessly about those individuals and/or entities. The availability of social media (Facebook, YouTube, Twitter, etc.) carries the responsibility to use these forms of communication with integrity in networking for employment and/or social

interaction; therefore, students shall refrain from making any public statement or statements, through social media or otherwise, about the academy and/or other students, former students, instructors, or employees and staff members of the academy.

Violation or non-compliance with this policy will result in disciplinary action, up to and including immediate termination from the academy.

### **TARDINESS POLICY**

Each student is very important to Bellus Academy. Regular attendance is essential to the successful performance of each of our programs and is especially important in the development of our future leaders in the Beauty and Wellness industry. Tardiness is considered unexcused time, as it is deemed unprofessional behavior. All tardy hours are calculated into the total allowable absence hours.

All students are expected to be in their appropriate roll-call room, clocked in and ready to study at their regular starting time and remain in the classrooms and/or on the campus until their regular scheduled quitting time, except when clocked out for lunch break. Students not physically present in class, per their class start time, are considered tardy.

Student attendance is monitored closely so that students maintain satisfactory progress. Failure to maintain the assigned class schedule may cause a student to be placed on probation, possibly resulting in the discontinuance of financial aid, which could increase the student's personal financial obligation to the academy. Students should notify their instructor or call the Absent Hotline / front desk before the scheduled start time of their class if they are going to be late for school. Students should provide their full name, student ID number, the instructor's name (to notify them), and when they expect to be at school.

When a student shows up late for school, they cannot attend the Theory portion of class in progress. The student can choose to not clock in and leave the campus until the first scheduled break or clock in and have the Academy Director assign a task to be completed by the student until they are allowed to join the class in session. Tardy students will not get Theory hours for the day.

INDIVIDUAL CAMPUSES MAY HAVE VARYING START TIMES DEPENDING ON PROGRAMS OFFERED AT EACH CAMPUS. PLEASE SEE THE SCHEDULE POSTED AT THE TIME CLOCK AND/OR FRONT DESK AT YOUR LOCATION.

### **ABSENCE POLICY**

Students must notify their instructor or call the Absent Hotline / front desk before the scheduled start time of their class if they are not able to attend school. Students should provide their full name, student ID number, the instructor's name (to notify them), the reason for being absent and when they expect to return.

Students on a schedule that includes mandatory Saturday attendance cannot be absent without prior approval from the Request Time Off Form (available from the Experience Coordinator) or other valid documentation.

### **LEAVING EARLY**

In order to be granted time off for leaving early, students must submit the approved Request Time Off Form to the Experience Coordinator on duty. The request must be approved by their instructor, floor manager or the Academy Director. Submitting this form helps to avoid classroom interruptions and client scheduling issues.

If a student is clocked in and cannot be found on the campus by the instructor during a period of time, they will not get credit for any hours on that day from that point on.

### **GRADING METHODS AND REPORTS**

The academies maintain complete records on each student or graduate for reference, as required by law. All students receive a complete theory and practical test toward the end of the training program. This test simulates the actual state licensing exam procedure and constitutes a final exam.

Each student is graded monthly on their theory and practical work, attendance, appearance, and attitude. The grading used is as follows:

93 – 100	EXCELLENT
85 – 92	VERY GOOD
75 – 84	SATISFACTORY
74 and BELOW	UNSATISFACTORY

Written progress reports are maintained by the academies. Students receive progress reports that must be signed and kept in their file at least two (2) times during their program. Informal progress reports are distributed monthly so students can keep track of their progress. Additional progress reports may be issued to students as requested or on an as needed basis determined by the instructor. A written report is kept and will be presented to any student who requests this record in the future.

### **EXTERNSHIP PROGRAM (As Available Only)**

The availability of Externship Programs varies and is dependent upon the number of salons and spas that have contracted with the academies and the number of eligible of students. These programs are designed to develop proactive partnerships between salons and spas, the academies and

our students. Externships provide the students with real life, hands on experience at highly successful, dynamic and inspiring salons and spas. Students earn classroom hours while participating and assisting in salon and spa activities. Students who have completed 60% of their program of study, and are current with their clinic operations may participate in the Externship Programs, if available. Attendance for Externships may not exceed eight (8) hours per forty (40) hour week and cannot exceed more than ten percent (10%) of the total clock hours required for the completion of their basic program of study, including hours earned from Community Events. NOTE: Authority cited: California Business and Professions Code, Section 7395.1 These programs are not a requirement for graduation.

### **COMMUNITY SERVICE AND OFF-SITE LEARNING**

The academy frequently participates in community events, salon visitations, extended training sessions in product knowledge and technical instruction, and various other extra-curricular activities. Students are expected to participate in representing the academy at these events when requested to do so. Participation opportunities may vary between day and evening schedules. Attendance for these events is combined with cumulative hours from Externships and cannot exceed ten percent (10%) of the total clock hours required for the completion of their basic program of study.

### **CAREER OPPORTUNITIES**

There are many opportunities for individuals entering the industry under the realm of Barbering, Cosmetology, Nail Technician or Esthetics. Employment opportunities for Cosmetologists, Nail Technicians, Estheticians and Makeup Artists are available in individual salons, salon chains, department stores, supply houses, and day spas. Estheticians can seek positions in medical arenas, such as med-spas, chiropractic offices, dermatology offices and cosmetic surgeons' offices. The most successful graduates possess several personal qualities in addition to their acquired skills. These valuable qualities include, but are not limited to a variety of business and marketing skills, including above-average people skills, good communication abilities, a sound work ethic and confidence.

### **PLACEMENT ASSISTANCE**

One of our primary goals is to provide the specialized, intensive training that will make our certified and/or licensed graduates highly employable. Our academies work closely with salon owners and employers throughout the local regions so that all licensees are given an opportunity to secure a position that is the right one for them. Throughout your training, job search training is incorporated in your classes, and the Career Services Department is available if you have questions or need any assistance while you are in school. During your training, you will learn about the different salons and spas that are available, interviewing procedures, how to complete a job application, resumé preparation, and other valuable points you will need to know to help you land a great job after you are licensed. As you approach graduation, a Career Services representative meets with you to remind you of the different types of assistance the department offers, including resumé preparation, referrals and graduate follow-up. Job placement assistance remains an option for you even if you have been out of school for a while. Graduates are encouraged to keep in touch with the academies and provide employment updates, and are always welcome to call for any information the academies can assist with. Although the academies work closely with our graduates through our placement assistance program, the academies cannot guarantee employment.

### **ALUMNI ASSOCIATION**

The Alumni Association supports the continued success of our licensed graduates by providing internationally acclaimed guest speakers, discounts on advanced education, discounts on professional products and equipment, development of a network of successful professionals, and providing extensive placement opportunities. Joining the Alumni Association keeps you informed of the latest events and trends in the industry.

### **VOTER REGISTRATION**

### **INTERNATIONAL STUDENTS**

Bellus Academy campuses are authorized under Federal law to enroll nonimmigrant alien students. Bellus Academy is authorized to issue I-20 documentation for M-1 visas for students who are enrolled at the academies. The I-20 document is only valid for an M-1 visa that will allow the student to study at Bellus Academy for a specific period of time. Upon completion of the course or program, the student must leave the country within 30 days. The M1 visa is for students in vocational schools only and does not authorize external work experience. Bellus Academy does not offer Optional Practical Training (OPT) due to licensure requirements; however, while in school, students may be eligible for the Bellus Academy Externship program, providing they meet the qualifications.

International students must present valid proof of high school completion or a GED. Students who provide documentation in any language other than English will be required to have that documentation translated by an approved agency. The Admissions Director can provide a list of approved translation services and service centers. In addition, students will be required to provide the academy with financial records, to establish that they will have sufficient funds to cover the cost of tuition, materials and living expenses during their stay in the United States.

To obtain I-20 documentation for an M-1 visa, prospective students must complete a Bellus Academy Application, along with the I-20 Application. These forms may be downloaded from the academy website at [http://www.bellusacademy.edu/w\\_admissions\\_international\\_students](http://www.bellusacademy.edu/w_admissions_international_students). For more specific information regarding the processing of I-20 and M-1 visa documentation, please contact the Admissions Director through the above website.

### **HOUSING**

The academy does not provide housing for students but may be able to assist in researching suitable accommodations. Please refer to the Bellus Academy Off-Campus Housing website at <http://bellus.och101.com/> for more information.

### **ITEC CERTIFICATION**

ITEC, International Therapy Examination Council, is the premier International Awarding Organization for qualifications in Hairdressing, Barbering, Massage Therapy, Nail Technology and Esthetics. Graduates who pass the ITEC examination are eligible to work in over 38 countries.

ITEC qualifications are supported by the professional beauty and spa industry and are easily transferable nationally and internationally. ITEC certification enhances a technician or artist's portfolio for local employment opportunities and provides a significant benefit for our beauty students who are military spouses and must travel or reside abroad. This elite certification will allow for employment on cruise ships that travel internationally, exclusive resort destinations with numerous global sites, as well as employment in spas in the U.S., Europe, Canada, and Australia.

Bellus Academy students and graduates are eligible for international certification through ITEC. ITEC components and qualifications are incorporated within the curriculum of several programs offered at Bellus Academy. Qualifications are verified prior to participation in the ITEC Examination process (exam fees may vary per program).

For more information on ITEC, please visit the website at: <http://www.itecworld.co.uk/>

## CONSUMER INFORMATION / GAINFUL EMPLOYMENT

### CIP CODES

US Department of Education regulations as of July 1, 2011, require the academy to identify programs by **Classification of Instructional Programs (CIP)** Codes, with links to the US Department of Labor/Employment and Training Administration's Occupational Information Network (O\*Net). CIP Codes were developed by the U.S. Department of Education's National Center for Education Statistics (NCES) to provide a method for tracking and reporting program activity that is common to all institutions. For more information regarding CIP Codes please visit the website at [nces.ed.gov/ipeds/cipcode](http://nces.ed.gov/ipeds/cipcode).

### SOC CODES

NACCAS accrediting agency policies as of July 1, 2011, require the academy to identify programs by **Standard Occupational Classification (SOC)** Codes. The SOC system is used by Federal statistical agencies to classify workers into occupational categories. Detailed occupations with similar job duties, and in some cases skills, education, and/or training, are grouped together. For more information regarding SOC Codes please visit the website at [www.bls.gov/SOC/](http://www.bls.gov/SOC/).

### O\*NET

The O\*NET program is the nation's primary source of occupational information. Central to the project is the O\*NET database, containing information on hundreds of standardized and occupation-specific descriptors. Utilizing the SOC Codes, O\*Net provides easy to read career reports that include the most critical on-the-job tasks and skills. Job seekers can also find local salary information and training opportunities. For more information regarding O\*Net please visit the website at [www.onetcenter.org/overview.html](http://www.onetcenter.org/overview.html).

**NET PRICE CALCULATOR**

The Net Price Calculator is available on the academy website at <http://www.bellusacademy.edu/NetPriceCalculator/npcalc.htm>.

**TERMS OF PAYMENT**

In addition to Financial Aid Assistance for qualifying students, individual financing and payment programs are available. Monthly payments vary according to down payment, applicable fees, any interest accrued and the length of time (number of months) defined in the payment contract.

**TUITION AND FEES**

Tuition and fees are due and payable on the first day of class. Payments are accepted by cash, check or credit card. For those students using financial aid, payments are due when the aid is received at the academy.

Students who do not make payment arrangements or fail to make their scheduled payments, may be subject to termination from the program and/or the student's account turned over to collections.

All contracted tuition, fees, application, equipment, kit and overtime charges must be paid, or payment arrangements made, before final paperwork is released.

**OVERTIME CHARGES**

Overtime occurs when a student has not completed their program of study by the scheduled completion date stated on their Enrollment Agreement. Students can attend beyond their scheduled completion date to complete their program, at no additional charge, up to 7.5% of their total program hours. (See Tuition and Fee Schedule in this catalog for specific hours.) If training is not completed by the prescribed time limit, and the allowable absence hours have been exhausted, additional tuition charges will accrue at the hourly rate stated on the student's contract at the time of enrollment until the time the student meets the graduation requirements. (See the Overtime Hourly Rate for each program in the above Tuition and Fee Schedule.) Absence hours, whether allowable or overtime, always extend the student's graduation date from the date scheduled on the Enrollment Agreement. Students must meet with Financial Aid to determine a payment plan at the time that overtime charges begin to accrue.

### **CALIFORNIA DREAM ACT**

Bellus Academy is a private institution and is not eligible to receive funding under the California "Dream Act" (AB 540) which provides in-state tuition benefits for undocumented students and certain other students who attend or will attend public universities in California. Undocumented AB540 students are not eligible for federal student aid, including Pell and other grants, government loans, and federal work-study. Federal financial aid is not available for students who are applying as nonimmigrant alien international students under an M-1 Visa status.

### **APPLICATION PROCEDURE**

The first step in applying for Title IV Federal Financial Aid is to complete the Free Application for Federal Student Aid (FAFSA) at [www.fafsa.ed.gov](http://www.fafsa.ed.gov). Additionally, the student (or parent if applicable) may need to complete any one or all of the following:

1. Loan entrance counseling
2. Authorization form
3. Promissory note
4. Parent PLUS loan request form and promissory note
5. Verification worksheet
6. Payment options

### **CRITERIA FOR SELECTION OF ELIGIBLE APPLICANTS**

Students who are eligible for Title IV Financial Assistance are accepted for enrollment if they have met all of the admission requirements of the academy and have established a class start date convenient for the student and the academy.

### **DETERMINING THE AMOUNT OF YOUR FINANCIAL AID**

Upon completion of the FAFSA, the student is given an Expected Family Contribution (EFC) number. The EFC is used to determine how much and what kind of financial aid a student is eligible for. In addition to the EFC, the direct and indirect costs of the program, enrollment status, length of enrollment, and funds available at the academy will also impact award amounts. The Financial Aid office will provide entrance and exit counseling utilizing the Department of Education online website applications at [www.studentloans.gov](http://www.studentloans.gov).

### **DISBURSEMENTS**

Financial aid funds are disbursed at evaluation periods for completed hours. Please refer to the Satisfactory Academic Progress policy in this catalog for further details. FSEOG funds are disbursed at the same time as other financial aid funds, but are only available in the first academic year on a first-come, first-served basis.

### **FINANCIAL AID PROGRAMS**

All Bellus Academy campuses administer federal programs of student assistance including:

**Pell Grant (FPELL):** Federal Pell grants are awarded to students who have not earned a bachelor's or professional degree. Because they are grants, funds are not typically repaid (unless you withdraw from school prior to the end of the award period). Eligibility is determined according to need, number of hours in the academic program, and the cost of attendance.

**Supplemental Educational Opportunity Grant (SEOG):** This program is for students with exceptional financial need. Your eligibility can be determined after review of your PELL eligibility.

**William D. Ford Federal Direct Loans:** The Direct Loan program provides educational loan(s) that must be repaid, with interest, even if you do not complete your academic program. Loans may be obtained through the William D. Ford Federal Direct Loan Program. Generally, all students who complete a FAFSA and are not in default on any previous federal student loan(s) are eligible for the program. Loans obtained through this program

are lower fixed interest rate loans that are guaranteed by the U.S. Department of Education. A student can apply for Direct Loans through the academy's Financial Aid Department.

**Federal Subsidized Loan:** The Subsidized Loan is awarded to students who demonstrate financial need. Subsidized loans do not charge the borrower with interest on the amount borrowed while in school and up through a six month grace period after leaving school.

**Note:** Loans for students who have exceeded the maximum eligibility period (150% of the program length – SULA) for attendance on their Federal loan eligibility could begin to accrue interest after the student exceeds the 150% limit. Interest accrued in such a manner accumulates and is added to the principal amount of your loan. Interest does not accrue retroactively to the date the loan was disbursed.

For more information please see your Financial Aid Officer or visit: <https://studentaid.ed.gov/types/loans/subsidized-unsubsidized>.

**Federal Unsubsidized Loan:** The Federal Unsubsidized Loan allows students to borrow a Federal Direct Loan who did not demonstrate sufficient financial need for the subsidized version. The same terms and conditions as the Subsidized Loan apply, except that the borrower is responsible for interest that accrues while she/he is in school and after leaving school. Generally, you may choose to make interest payments on the loan while you are in school or have the interest added to your principal balance (capitalized) when your repayment schedule begins (six months after your last day of attendance).

**Federal Parent PLUS Loans:** The Federal Parent PLUS loan is available to parents of dependent students with good credit to help pay their child's educational expenses. PLUS loans are not based on need. They can be combined with other financial aid resources and cannot exceed the student's cost of education.

**Workforce Investment Act:** Bellus Academy in California is a qualified training provider offering employment training for adults and dislocated workers. For more information, please visit the CalJobs website at <https://www.caljobs.ca.gov>.

**Veterans Educational Benefits:** The programs at Bellus Academy are approved by the California State Approving Agency for Veterans Education. For more information on veterans benefits, please see your Admissions Representative.

**MyCAA:** Military Spouse Career Advancement Accounts (MyCAA) provide financial assistance for educational purposes for qualified military spouses meeting eligibility requirements. For information regarding amounts and eligibility please visit the website at: [www.militaryonesource.com/MOS/FindInformation/Category/MilitarySpouseCareerAdvancementAccounts.aspx](http://www.militaryonesource.com/MOS/FindInformation/Category/MilitarySpouseCareerAdvancementAccounts.aspx).

**Tuition Flex:** The academies offer multiple, flexible payment plan options through Education Loan Source. These payment plans allow students to spread payments over a pre-set period of time, as opposed to paying the full amount up-front. Students choose the program that best fits within their budget. An interest rate may apply depending on the plan chosen. No credit check is required at the time of application, and the process is completed 100% online using an e-signature validation.

### **ADDITIONAL INFORMATION**

If a student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. If the student has received federal student financial aid funds, the student is entitled to a refund of the moneys not paid from federal student financial aid program funds.

For more information regarding student and parent loans, please refer to the US Department of Education publication, "Funding Education Beyond High School" at [www.edpubs.gov/document/EN0990P.pdf](http://www.edpubs.gov/document/EN0990P.pdf), or visit the website at [www.studentloans.gov](http://www.studentloans.gov).

All students are requested to meet with Financial Aid for an Exit interview prior to leaving the academy.

Financial Aid Officers are available at all campuses from 9 am to 5 pm, Monday through Friday, or by appointment.

### **HOUSING**

Bellus Academy does not have on-campus dormitory housing. While the institution has no responsibility to find or assist students in finding housing, the following represents approximate rental fees for two-bedroom apartments in the general vicinity of the schools' locations: Chula Vista, CA area – \$1765 per month; El Cajon, CA area – \$1617 per month (based on an average of prices of rental units available on Rent.com as of 07/2018).

## **STUDENT TUITION RECOVERY FUND DISCLOSURE**

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program,\* if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition. You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.

It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 2535 Capitol Oaks Drive, Suite 400, Sacramento, CA 95833, (916) 431-6959 or (888) 370-7589.

To be eligible for STRF, you must be a California resident or enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120 day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of noncollection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number.

## **INSTITUTIONAL REFUND POLICY**

This refund policy applies to all terminations for any reason, by either party, including student decision, course or program cancellation, or school closure.

### **STUDENT'S RIGHT TO CANCEL**

1. A student has the right to cancel his or her agreement for a program of instruction and receive a full refund through attendance at the first class session, or the seventh calendar day after enrollment, whichever is later.
2. After the end of the cancellation period, you also have the right to stop school at any time; and you have the right to receive a pro-rata refund if you have completed sixty (60) percent or less of the program. Changes to programs, i.e. Drops and/or Adds, can only be made during the first 7 calendar days of the program.
3. Cancellation may occur when the student provides a written notice of cancellation at the following addresses: Bellus Academy, 970 Broadway, Suite 110, Chula Vista, CA 91911; or Bellus Academy, 1073 E. Main Street, El Cajon, CA 92021. This can be done by mail, FAX, email or by hand delivery.
4. The cancellation date will be determined by the postmark on written notification, or the date said information is delivered to the academy in person.
5. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.
6. If the Enrollment Agreement is cancelled, within 45 days after the notice of cancellation is received, the academy will refund the student any money he/she paid, less any deduction for equipment that the student has received and signed for.

**REMEMBER THAT YOU MUST CANCEL IN WRITING.** You do not have the right to cancel by telephoning the academy or by not coming to class.

### **WITHDRAWAL FROM THE PROGRAM**

You may withdraw from the academy at any time after the cancellation period (described above) and receive a pro-rata refund within 45 days of withdrawal if you have completed 60 percent or less of the period of attendance, based on scheduled hours. The refund will be less any deduction for equipment that the student has received and signed for.

For the purpose of determining a refund under this section, a student's official cancellation or withdrawal shall occur on the earlier of the dates of any of the following instances:

- An applicant is not accepted by the academy. The applicant shall be entitled to a refund of all monies paid.
- The student notifies the institution of the student's withdrawal in writing.
- The institution terminates the student's enrollment for failure to maintain satisfactory progress; failure to abide by the rules and regulations of the institution; absence in excess of maximum set forth by the institution; and/or failure to meet financial obligations to the academy.
- The student has failed to attend class for fourteen (14) calendar days, as determined by monitoring clock hour attendance at least every thirty (30) days.
- Failure to return from a leave of absence. The date of the student's withdrawal shall be the earlier of the scheduled date of return from the leave of absence or the date the student notifies the institution that the student will not be returning.

All refunds are calculated based on the student's last date of attendance.

For students who enroll and begin classes but withdraw prior to course completion (after seven business days of signing the contract), the following schedule of tuition earned by the school applies. All refunds are based on scheduled hours:

<u><b>Percent of Scheduled Time Enrolled to Total Program</b></u>	<u><b>Total Tuition School Shall Retain</b></u>
0.01% to 60%	Prorated based on percentage of scheduled attendance
60.01% and over	100%

If any portion of the tuition was paid from the proceeds of a loan or third party, the refund shall be sent to the lender, third party or, if appropriate, to the state or federal agency that guaranteed or reinsured the loan. Any amount of the refund in excess of the unpaid balance of the loan shall be first used to repay any student financial aid programs from which the student received benefits, in proportion to the amount of benefits received, and any remaining amount shall be paid to the student.

If the academy cancels a program subsequent to a student's enrollment, and before instruction in the program has begun, the academy shall provide a full refund of all monies paid.

If the academy cancels a program and ceases to offer instruction after students have enrolled and instruction has begun, the academy shall at its option:

- Provide a pro-rata refund for all students transferring to another school based on the hours accepted by the receiving school; or
- Provide completion of the program; or
- Participate in a Teach-Out Agreement; or
- Provide a full refund of all monies paid

In the event the academy closes permanently and ceases to offer instruction after students have enrolled, and instruction has begun, the academy will make arrangements for students to attend an alternate institution through participation in a Teach-Out Agreement. Should the student elect not to attend the alternate institution, a pro-rata refund of tuition will be made in accordance with the refund policy outlined above. Any monies due are refunded within 45 days.

When situations of mitigating circumstances are in evidence, the academy may adopt a policy wherein the refund to the student may exceed the minimum requirements.

## RETURN TO TITLE IV FUNDS

The law requires that when you withdraw during a payment period, the amount of SFA program assistance that you have earned up to that point is determined by a specific formula. If you received (or the school received on your behalf) less assistance than the amount you earned, you will be able to receive those additional funds. If you received more assistance than you earned, the excess funds must be returned. For the purpose of determining the amount you owe, you shall be deemed to have withdrawn from the program when any of the following occurs: a. You notify school of your withdrawal or the actual date of withdrawal; b. the School terminates your enrollment; c. You fail to attend classes for a 14 day period; d. You fail to return from a leave of absence. In this case, the date of withdrawal shall be deemed to be the last date of recorded attendance.

The amount of assistance that you have earned is determined on a pro-rata basis. That is, if you complete 30 percent of the payment period, you can earn 30 percent of the assistance you were originally scheduled to receive. Once you have completed more than 60 percent of the payment period or period enrollment, you earn all of your assistance.

If you received excess funds that must be returned, your school must return a portion of the excess equal to the lesser of

- Your institutional charges multiplied by the unearned percentage of your funds, or
- The entire amount of excess funds.

If the amount paid is more than the amount owed, then a refund will be made within 45 days of withdrawal. If the amount owed is more than the amount paid, then you will have to make arrangements to pay it.

If you are responsible for returning grant funds, you do not have to return the full amount. The law provides that you are not required to return 50% of the grant assistance that you receive that is your responsibility to repay. Any amount that you do have to return is a grant overpayment, and you must make arrangements with your school or the Department of Education to return the funds.

Students are advised that they may owe money to the school if they withdraw, as the California state refund Policy will apply for contract purposes.

## **SATISFACTORY ACADEMIC PROGRESS POLICY**

The Satisfactory Academic Progress Policy is consistently applied to all students enrolled at the academy. It is printed in the catalog to ensure that all students receive a copy prior to enrollment. The policy complies with the guidelines established by the National Accrediting Commission of Career Arts and Sciences (NACCAS) and the federal regulations established by the United States Department of Education.

### **EVALUATION PERIODS**

The academy defines its academic year for the Barbering, Barbering/Cosmetology, Cosmetology and Master Makeup Artistry programs as 900 hours and 26 weeks. All other programs are defined as an academic year of 900 hours and 30 weeks. The student's first evaluation for Satisfactory Academic Progress occurs at the midpoint of the academic year or the program, whichever occurs sooner, based on actual hours as follows:

<b>COURSE</b>	<b>EVALUATION POINTS – ACTUAL HOURS</b>	<b>ACADEMIC YEARS</b>
Barbering	450, 900, 1200, 1500	1.66
Barbering/Cosmetology	450, 900, 1350, 1800	2.0

Makeup Artistry	75, 150	0.16
Master Makeup Artistry	300, 600	0.66

Transfer Students – Midpoint of the contracted hours or the established evaluation periods, whichever comes first.

Evaluations will determine if the student has met the minimum requirements for satisfactory academic progress. The frequency of evaluations ensures that students have had at least one evaluation by midpoint in the course.

### **ATTENDANCE PROGRESS EVALUATIONS**

Students are required to attend a minimum of 75% of the hours possible based on the applicable attendance schedule in order to be considered maintaining satisfactory attendance progress. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled. At the end of each evaluation period, the school will determine if the student has maintained at least 75% cumulative attendance since the beginning of the course which indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed.

### **MAXIMUM TIME FRAME**

The maximum time (which does not exceed 133% of the course length) allowed for students to complete each course at satisfactory academic progress is stated below. Students who exceed the maximum time frame will be dropped from the program.

<b>COURSE</b>	<b>MAXIMUM TIME ALLOWED</b>

Master Makeup Artistry (Night, 25 hrs/wk) – 602 Hours	34 Weeks	801

The maximum time allowed for transfer students who need less than the full course requirements will be determined based on 75% of the scheduled contracted hours.

### ACADEMIC PROGRESS EVALUATIONS

The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical experiences. Academic learning is evaluated after each unit of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better (the computer system will reflect completion of the practical assignment as a 100% rating). If the performance does not meet satisfactory requirements, it is not counted and the performance must be repeated. At least two comprehensive practical skills evaluations will be conducted during the course of study. Practical skills are evaluated according to text procedures and set forth in practical skills evaluation criteria adopted by the school. Students must maintain a written grade average of 75% and pass a FINAL written and practical exam prior to graduation. Students must make up failed or missed tests and incomplete assignments. Numerical grades are considered according to the following scale:

93 – 100	EXCELLENT
85 – 92	VERY GOOD
75 – 84	SATISFACTORY
74 and BELOW	UNSATISFACTORY

### DETERMINATION OF PROGRESS STATUS

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making satisfactory academic progress until the next scheduled evaluation. The academy is required to notify students of any evaluation that impacts the student's eligibility for Title IV funding. Students receive a hard copy of their Satisfactory Academic Progress evaluation that must be signed at the time of the evaluation and kept in their student file if the SAP may affect their eligibility for Title IV funding. Students may request a copy of their SAP at any time from the Student Services office. Students deemed not maintaining Satisfactory Academic Progress may have their Title IV Funding interrupted, unless the student is on warning or has prevailed upon appeal resulting in a status of probation.

### WARNING

Students who fail to meet minimum requirements for attendance or academic progress are placed on warning and considered to be making satisfactory academic progress during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the warning period, the student has still not met both the attendance and academic requirements, he/she may be placed on probation and, if applicable, students may be deemed ineligible to receive Title IV funds.

### PROBATION

Students who fail to meet minimum requirements for attendance or academic progress after the warning period will be placed on probation and considered to be making satisfactory academic progress during the probationary period, if the student appeals the decision, and prevails upon appeal. Additionally, only students who have the ability to meet the Satisfactory Academic Progress Policy standards by the end of the evaluation period may be placed on probation. Students placed on an academic plan must be able to meet requirements set forth in the academic plan by the end of the next evaluation period. Students who are progressing according to their specific academic plan will be considered making Satisfactory Academic Progress. The student will be advised in writing of the actions required to attain satisfactory academic progress by the next evaluation. If, at the end of the probationary period, the student has still not met both the attendance and academic requirements required for satisfactory academic progress or by the academic plan, he/she will be determined as NOT making satisfactory academic progress and, if applicable, students will not be deemed eligible to receive Title IV funds.

### RE-ESTABLISHMENT OF SATISFACTORY ACADEMIC PROGRESS

Students may re-establish satisfactory academic progress and Title IV aid, as applicable, by meeting minimum attendance and academic requirements by the end of the warning or probationary period.

### INTERRUPTIONS, COURSE INCOMPLETES, WITHDRAWALS

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of

withdrawal. A Leave of Absence and/or failure to return from a Leave of Absence may affect your loan interest rates and/or repayment timeline. Please see your Financial Aid representative for more information.

### **APPEAL PROCEDURE**

If a student is determined to not be making satisfactory academic progress, the student may appeal the determination within ten calendar days. Reasons for which students may appeal a negative progress determination include death of a relative, an injury or illness of the student, or any other allowable special or mitigating circumstance. The student must submit a written appeal to the school on the designated form describing why they failed to meet satisfactory academic progress standards, along with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the student's situation that will allow them to achieve Satisfactory Academic Progress by the next evaluation point. Appeal documents will be reviewed and a decision will be made and reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student file. If the student prevails upon appeal, the satisfactory academic progress determination will be reversed and federal financial aid will be reinstated, if applicable.

### **NONCREDIT, REMEDIAL COURSES, REPETITIONS**

Noncredit, remedial courses, and repetitions do not apply to this institution. Therefore, these items have no effect upon the academy's satisfactory academic progress standards.

### **TRANSFER HOURS**

With regard to Satisfactory Academic Progress, a student's transfer hours will be counted as both attempted and earned hours for the purpose of determining when the allowable maximum time frame has been exhausted.

---

### **MANDATED HOURS OF ATTENDANCE POLICY**

Students must complete the state-mandated hours per their program of study. These requirements are as follows:

Barbering	Satisfactory completion of 1500 hours	
Barbering/Cosmetology	Satisfactory completion of 1800 hours	
Cosmetology	Satisfactory completion of 1600 hours	
Cosmetology 102	Satisfactory completion of 1750 hours	
Cosmetology 103	Satisfactory completion of 1750 hours	
Cosmetology 104	Satisfactory completion of 1900 hours	
Esthetics	Satisfactory completion of 600 hours	
Esthetics 102	Satisfactory completion of 750 hours	
Esthetics 103	Satisfactory completion of 900 hours	(El Cajon only)
Spa Nail Technician	Satisfactory completion of 600 hours	(Chula Vista only)
Makeup Artistry	Satisfactory completion of 150 hours	
Master Makeup Artistry	Satisfactory completion of 602 hours	

### **LEAVE OF ABSENCE POLICY**

An authorized leave of absence (LOA) is a temporary interruption in a student's program of study. LOA refers to the specific time period during a program when a student is not in attendance. A Leave of Absence is restricted to Medical, Military, or Family Emergency.

**NOTE:** *Due to the nature of the schedules for the phases in advanced programs, no LOAs may be requested in advanced programs, including, but not limited to the following:*

*Esthetics 103  
Master Makeup Artistry*

*Any time missed may have to be made up at another location or may result in withdrawal status until the missed subject occurs again in a subsequent phase.*

In order for an LOA to qualify as an approved LOA, the request for leave of absence must be submitted in advance in writing, must include the reason for the student's request, the expected return date and must be signed by the student.

In the event that unforeseen circumstances prevent a student from providing the request prior to the LOA, the academy will document the reason for granting the LOA and will require the request from the student at a later date. In this instance, the beginning date of the approved LOA would be determined by the academy to be the first date the student was unable to attend the academy because of the circumstance.

Students requesting a leave of absence from the institution must submit a written request to a Student Services or Financial Aid Representative in advance of the time off requested. The request should be signed and dated by the student and must contain the dates the student expects to be

unable to attend school, including the date the student expects to return to school. All leave of absence requests must be approved by the Academy Director.

A student on a leave of absence will incur no additional charges by the school. A Leave of Absence and/or failure to return from a Leave of Absence may affect your loan interest rates and/or repayment timeline. Please see your Financial Aid representative for more information.

The LOA together with any additional leaves of absence must not exceed a total of 180 days in any 12- month period.

A student granted an LOA that meets these criteria is not considered to have withdrawn, and no refund calculation is required at that time. The academy will extend the student's contract period by the same number of days taken in the LOA. Changes to the contract period on the enrollment agreement must be initiated by all parties or an addendum must be signed and dated by all parties.

If a student loan recipient does not return from an approved leave of absence, the withdrawal date will be set retroactively and the student could have used up some or all of the grace period for their loan. The grace period starts on the last day of attendance. The withdrawal date for the purpose of calculating a refund is always the student's last day of attendance. All refunds will be due 45 days from the date of determination. Any student failing to return to the academy after the expiration of a leave of absence will be withdrawn from school on that day and the withdrawal date will be their last day of attendance. Students who do not return are required to complete an exit interview with the academy's Financial Aid department.

### **DROP-OUT POLICY**

The student's enrollment may be terminated at the election of the Academy Director, if the student's academic progress, behavior, absences, lateness, or dress does not conform to the requirements, rules and regulations of the academy (as stated in the catalog and Guidelines for Success); in which event, the extent of the student's tuition obligation will be in accordance with the academy's refund policy.

### **RE-ENROLLMENT POLICY**

Students desiring to reinstate in the academy within six months of their last date of attendance will be readmitted at their original cost. Students desiring to re-enroll in the academy after a 6-month lapse must sign a new enrollment agreement. The new enrollment agreement will be based on the current cost of tuition and fees; however, the previous hours earned may be used as credit in computing new charges, depending on the elapsed time between the last day attended and re-enrollment. Please consult with your Admissions Representative regarding the academy's transfer policy for specific information. A student re-enrolling re-enters at the same progress status as when they left. A re-enrolling student failing to meet minimum satisfactory progress requirements at the time of withdrawal will have the same status when they return. Re-enrolling students on probation are not eligible to receive Financial Aid and will be admitted on a cash basis only. Financial Aid may be reinstated when the student achieves satisfactory progress at their next evaluation point.
