

## Campus Security and Title IX Policy

### Policy:

Bellus Academy reserves the right to take necessary and appropriate action to protect the safety and well-being of the campus community. Such action may include taking disciplinary action against those students whose behavior constitutes a violation of school policies. Students are responsible for their behavior on campus and at off-campus academy events and are expected to abide by the rules established in the Guidelines for Success, as well as all academy policies and procedures at all times. Students are obligated to notify their Academy Director of any behavior that occurs at off-campus academy events that violates local/federal law and/or academy policies. All academy staff members, students, and guests should report any behavior they believe to be suspicious to the Academy Director or key administrative employees.

During business hours, Bellus Academy is open to students, parents, employees, prospective students, clients, and guests. During non-business hours, access to Bellus Academy is by key and security code password if issued to an individual. Academic and administrative areas on campus are normally locked after business hours unless they are being used for legitimate evening or educational purposes. A valid student ID card or employee name badge is required for campus access after business hours Monday through Saturday. Each building is secured according to the schedule established by the department responsible for the campus.

Throughout the year, maintenance is performed weekly at the schools. The maintenance crew and administrators survey the security issues such as parking lots, landscaping, locks, alarms, lighting, and communications to make necessary changes when needed.

***Bellus Academy staff have the authority and the responsibility to ask anyone, at any time, for their identification if they question a person's authorization to be on campus or in a particular area of any of the buildings.***

### Procedures:

#### Reporting a Crime, Emergency, or Safety Concern

Should an emergency occur on any campus, a notification will be sent to students using the Bellus APP with the location, the problem, and what to do in order to remain safe and secure. The message will be brief and to the point. This system will be used for **EXTREME EMERGENCIES ONLY** and for nothing else. This alert system is a reflection of the academy's commitment to the safety of students and staff members should a dangerous event occur.

**Bellus Academy** is not responsible for any charges service provider may charge for standard text messaging fees.

Community members, students, educators, staff, and visitors are encouraged to report all crimes, emergencies, and safety concerns to the Academy Director in a timely manner.

- Crimes, emergencies, and safety concerns at the Poway campus should also be reported to the San Diego Sheriff's Department at (858) 565-5200.
- Crimes, emergencies, and safety concerns at the Chula Vista campus should also be reported to the Chula Vista Police Department at (619) 691-5151.
- Crimes, emergencies, and safety concerns at the El Cajon campus should also be reported to the El Cajon Police Department at (619) 579-3311.
- Crimes, emergencies, and safety concerns at the Manhattan campus should also be reported to the Riley County Police Department at (785) 537-2112.
- Reports may also be made by calling 911 for any of the campus locations.

**A crime, emergency, or safety concern may also be reported to the following campus officials:**

- Matt Hom, Academy Director – Poway – Phone (858) 748-1490
- Khris Pool, Academy Director – El Cajon – Phone (619) 442-3407
- Danielle Sharp, Academy Director – Chula Vista – Phone (619) 474-6607
- David Yocum, Academy Director – Manhattan – Phone (785) 539-1837

## **Campus Law Enforcement**

Bellus Academy does not have any security personnel or a campus police department. The individual academies work with their local law enforcement agency if an issue arises at the school. All incident reports involving students are forwarded to the Academy Director of each campus for review and potential disciplinary action. If assistance is required from other law enforcement, local fire departments, or other emergency agencies, the Academy Director will contact the appropriate unit. If a sexual assault or rape should occur, Bellus Academy will offer the victim a wide variety of services.

Bellus Academy operates no off-campus housing and does not have off-campus student organizations. On-campus student organizations that engage in off-campus activities should report crime incidents to the local law enforcement agency where the incident occurred and also to the Academy Director. Employees participating in an academy sponsored off-campus activity should report crime incidents to the local law enforcement agency where the crime occurred and also to the Academy Director. Crimes should be reported to the Academy Director to ensure inclusion in the academy's annual crime statistics and to aid in providing timely warning notices to the community when appropriate.

## **Emergency Response and Evacuation Procedures**

**All Campuses** – Bellus Academy has established procedures to immediately notify the campus community upon the confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or employees occurring on a campus. These procedures provide for rapid notice to local law enforcement and administration to evaluate and confirm an emergency or dangerous situation and if confirmed, for academy administrators to determine the appropriate campus to be notified and the content of the notification.

The academy will, without delay, and taking into account the safety of the community, determine the content of emergency/dangerous situation notifications and initiate the notification system, unless issuing a notification will, in the professional judgment of responsible authorities, compromise efforts to

assist a victim or to contain, respond to, or otherwise mitigate the emergency. If an emergency or dangerous situation is confirmed, the campus procedures provide for any one of several academy administrators, Academy Director, or law enforcement officers to authorize a mass notice to the appropriate segment(s) of the campus using the Bellus Klass App.

**Poway campus** - This campus consists of approximately 19,000 square feet of contiguous space in a one-story building located in a shopping center. Procedures provide for educators/staff on site to evaluate and confirm an emergency or dangerous situation and if confirmed, to verbally provide notice to the campus, local law enforcement, and senior administration.

**Chula Vista campus** – This campus consists of approximately 15,000 square feet of contiguous space in a one-story building located in a shopping center. Procedures provide for educators/staff on site to evaluate and confirm an emergency or dangerous situation and if confirmed, to verbally provide notice to the campus, local law enforcement, and senior administration.

**El Cajon campus** – This campus consists of approximately 9,000 square feet of contiguous space in a one-story building located in a shopping center. Procedures provide for educators/staff on site to evaluate and confirm an emergency or dangerous situation and if confirmed, to verbally provide notice to the campus, local law enforcement, and senior administration.

**Manhattan campus** – This campus consists of approximately 20,000 square feet of contiguous space in a one-story building located in a shopping center. Procedures provide for educators/staff on site to evaluate and confirm an emergency or dangerous situation and if confirmed, to verbally provide notice to the campus, local law enforcement, and senior administration.

## All Campuses

Fire alarm systems are present and active in all campus facilities.

Following are the titles of the persons responsible for carrying out the actions/procedures described in the above paragraphs: President, Vice President, Academy Directors, Human Resources, Local Law Enforcement Officers, Admissions Representatives, Educators, Administrative Staff, and/or Experience Coordinators.

The dissemination of emergency information to the larger community shall be coordinated by the President, Vice President and the Academy Directors in cooperation with local law enforcement agencies.

The Academy Director at each location is responsible for testing the emergency response and evacuation procedures on at least an annual (calendar year) basis and for documenting such testing. Documentation for each test shall include a description of the exercise, the date, the time, and whether the test was announced or unannounced. Such testing may include a review of procedures by the Academy Director and local law enforcement officers, meetings with responsible persons to review and walk-through procedures, and tests of communication equipment.

# Lockdown Procedures

## Definition

A "Lockdown" is the temporary sheltering technique, e.g. 30 minutes to several hours, utilized to limit civilian exposure to an "Active Shooter" or similar incident. When alerted, occupants of any building will lock all doors and windows not allowing entry or exit to anyone until the all clear has been sounded. This procedure converts any building into a large "Safe Room".

## Why Would a Campus Lockdown Occur?

A campus lockdown is a safety procedure initiated by academy officials in an effort to protect the livelihood of students, staff, and educators. The length of time that a lockdown lasts depends upon the situation that has occurred and how quickly local law enforcement officers can resolve the situation and secure the safety of the entire campus.

A campus lockdown might be initiated for a variety of reasons including natural disasters, criminal activity, or another potential threat. While most lockdowns will directly involve the campus itself, school officials may order a lockdown because of a dangerous situation that has occurred near the campus.

A lockdown may be called because of a suspected threat or because of a warning that a dangerous event is about to take place. Campus officials take information they receive very seriously and prefer to err on the side of caution when it comes to protecting students and staff from danger.

Though campus officials make the final decision to initiate a lockdown, the procedure may be requested by the local or state police, fire department, public safety commission, or a member of the staff or community who has verifiable information about a threat.

Reasons for a campus lockdown include:

- Natural Disasters
  - Tornado
  - Hurricane
  - Earthquake
  - Ice Storm or Blizzard
  - Severe Lightning
- Criminal Threats
  - Person with a Firearm or Weapon Seen on Campus
  - Gunshots on or Near Campus
  - Bomb Threat
  - Crime Taking Place on or Near Campus
  - Kidnapping or Hostage Situation
  - Hostile or Threatening Intruder on Campus
- Chemical Spills or Gas Leaks

## What Happens During a Campus Lockdown?

The actual events during a campus lockdown will depend entirely upon the situation taking place, but students and staff can expect certain things to happen during every lockdown. When the decision to initiate a campus lockdown is made, an announcement will be made via text or email. Everyone will be clearly informed that the campus has been placed on lockdown because of an emergency situation.

The academy will also send emails and text messages to students and staff not on site to inform them of the lockdown. In most cases, especially if a criminal threat is involved, the reason for the lockdown will not be stated in an email or text message.

The academy's Policy and Procedures Manual will outline the steps that should be taken during a lockdown. Exact steps will differ depending on whether the lockdown has been ordered because of a natural disaster, criminal threat, or chemical leak. During a tornado for example, everyone may need to move to protected areas on lower levels or to basements or special shelters if the school has them. Specific instructions like this will be given.

During a criminal threat, students and staff are instructed to proceed to the nearest classroom or office where they should lock the door and stay away from the windows. If students are outside when the lockdown occurs, they should run quickly into a building if one is very close or stay low to the ground behind a vehicle, tree, or other large object. If a dangerous person is present on campus, it is very important for the students to avoid being seen.

Other precautions that should be taken during a criminal threat:

- Cell phones should be silenced.
- Lights, electronics, and other equipment should be turned off.
- Everyone should stay low and away from the windows.
- Everyone should remain silent and stay very still.
- Educators or staff members are responsible to record the names of everyone present and to ensure that no one leaves the room until the lockdown has been lifted.
- It is essential that everyone stays calm and follows any instructions given by the Academy Director or police.

During the campus lockdown, local law enforcement will be working to contain the threat and to apprehend any perpetrator involved. Once the situation is brought under control, police will ensure that the entire campus is once again safe. An all-clear message will then be sent via text or email, and everyone will be free to unlock doors and exit the rooms.

## **Confidential Reporting Procedures**

If you are the victim of a crime and do not want to pursue action through Bellus Academy or the criminal justice system, you may still want to consider making a confidential report. With your permission, the Academy Director can file a report on the details of the incident without revealing your identity. The purpose of a confidential report is to comply with your wish to keep the matter confidential, while taking steps to ensure the future safety of yourself and others. With such information, the academy can keep an accurate record of the number of incidents involving students, educators, staff, and visitors; determine where there is a pattern of crime with regard to a particular location, method, or assailant; and alert the campus community to potential danger. Reports filed in this manner are counted and disclosed in the annual crime statistics for Bellus Academy.

## **Documenting Crimes and VAWA Violations**

Crimes occurring on campus are to be documented in the Campus Crime Log with a brief narrative sent to Compliance. VAWA (Violence Against Woman Act) Crimes occurring both on and off campus that are reported must be documented in the Campus Crime Log and have the complaint submitted to the Title IX Deputy to begin investigating the crime incident.

## **Timely Warnings**

A timely warning will be issued by the Academy Director when a situation arises that in the judgment of the Academy Director constitutes an ongoing or continuing threat. The warning will be issued in the following manner:

- By push notifications through the Bellus App to the educators, staff and students
- By email to students through their email accounts
- By email to educators and staff through their personal email accounts

A timely warning will include the reported offense, the location of the reported offense, the date of the reported offense if known, a description of suspects if available, and any other information that would promote safety.

## **Annual Disclosure of Crime Statistics**

By October 1 of each year, the academy's Compliance Department must publish and distribute its annual campus security report. This report complies with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act. The outcomes of this report can be located on our web site under each of the Campus Security Disclosures:

[Consumer Information Handbook](#)

[Student Disclosure Webpage](#)

This report is prepared in cooperation with the law enforcement agencies in San Diego County and Riley County. Campus crime, arrest and referral statistics include those reported to the Academy Director and to local law enforcement agencies. Each year, notice regarding the availability of this report is provided to employees, students, prospective employees, and prospective students in the following manner:

- To currently enrolled students by email to their email accounts
- To current employees by email to their Bellus email accounts or through Corporate Meetings
- To currently enrolled students through Student Huddles
- To prospective employees during the hiring process
- To prospective students when they apply for admission to a program

It does not discriminate on the basis of sex or gender in its educational programs and employment. Any incident, including sex discrimination or harassment, but not limited to, sexual assault including rape, dating violence, domestic violence or stalking committed on academy property, or at an academy sponsored event or activity, should be reported to the Title IX Coordinator immediately.

## Title IX Policy and Procedures

### WHAT IS TITLE IX?

*No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance. – Title IX of the Education Amendments of 1972.*

Title IX prohibits discrimination on the basis of sex (gender) in educational programs and activities receiving federal financial assistance. Bellus Academy is committed to providing an environment free of discrimination on the basis of sex (gender), including sexual harassment, sexual misconduct, sexual assault, relationship (dating and domestic) violence, and stalking. The academy provides resources and reporting options to students, faculty, and staff to address concerns related to sexual harassment and sexual violence prohibited by Title IX and academy policy.

### Title IX Coordinator Duties and Responsibilities

The Title IX Coordinator is informed of all reports of sexual misconduct, and oversees the academy's review, investigation, and resolution of those reports to ensure the academy's compliance with Title IX.

Generally, when the complaint is against an employee or third party, the Title IX Deputy will conduct the investigation. When the complaint is against a student, the Title IX Deputy will coordinate the investigation with the appropriate campus student affairs official(s).

Title IX Deputies and administrators on each campus work with the Title IX Coordinator to ensure that adequate education, training, sanctions, and appropriate resources are available and provided on their respective campus. All Bellus Academy employees are, according to Title IX law, “responsible employees,” meaning that they are legally obligated to report certain conduct of which they are aware of to the Title IX Coordinator. The Title IX Coordinator has given employees certified training explaining exactly what this means and exactly what responsible employees must do to fulfill their legal obligations.

## **Filing a Title IX Complaint**

Please call or email your campus Title IX Deputy to set up an informal meeting if you have a question or concerns involving sex discrimination, sexual harassment, or sexual violence.

To file a Title IX Complaint, please use the following reporting form: Title IX Complaint Form or contact the Title IX Coordinator.

Bellus Academy’s team of Title IX Deputies and the Title IX Coordinator promptly and thoroughly investigates and resolves complaints alleging sexual discrimination, sexual harassment, and sexual violence.

## **Anti-Retribution**

Any person who retaliates against another for testifying, assisting or participating in an investigation or proceeding relating to harassment or violence shall be subject to discipline. Retaliation includes, but is not limited to, any form of intimidation, retribution or harassment.

## **Sexual Offense/Assault Protocol**

Bellus Academy recognizes the importance of assisting individuals who are victims of sexual assault and helping them to regain a sense of personal control over their lives and decisions.

## **Reporting Sexual Assault**

If you are sexually assaulted, you should do the following:

- Go to a safe place.
- Do not shower or bathe.
- Do not urinate, if possible.
- Do not eat, drink, smoke or brush your teeth if oral contact took place.
- Do not destroy or wash the clothes you were wearing. If you change, place your clothes in a paper bag.
- Contact the Academy Director or local law enforcement (San Diego Sheriff's Department, Chula Vista Police Department, El Cajon Police Department, or Riley County Police Department).
- Seek medical treatment immediately (preferably within 72 hours).

Following the above suggestions will ensure the preservation of evidence. Victims of a sexual offense/assault are encouraged to contact the Academy Director or local law enforcement immediately following an incident.

A report may be filed with the Academy Director and/or local law enforcement. The filing of a report does not obligate the victim to pursue charges, but does make filing of charges easier at a later date. Sexual offense/assault victims may seek action through the academy's conduct and disciplinary policies and/or the judicial system (criminal and/or civil). The academy will assist in pursuing option(s) elected by the victim. Bellus Academy and the courts are independent systems; charges may be filed in either or both systems. If a sexual offense/assault victim does not wish to pursue action through the academy or the judicial system, the victim may make an anonymous report. With the victim's permission, the academy can file a report on the details of the incident without revealing the victim's identity. This type of anonymous report helps to ensure the future safety of the victim and others. With such information, the academy can keep accurate records regarding the number of incidents involving students, determine where there is a pattern of sexual offenses/assaults with regard to a particular location, method, or assailant, and alert the campus community to potential danger.

Because of the traumatic nature of a sexual offense/assault, victims are encouraged to seek immediate counseling. The Rape Crisis Center provides counseling and group services free of charge.

## **Response to Sexual Assault**

Bellus Academy personnel shall observe the following guidelines when responding to a sexual assault report.

- Assess the victim's well-being, render aid, and express concern and assurance.
- Encourage the victim to seek medical treatment (preferably within 72 hrs.)
- Do not question the victim about the details of the incident. Questioning will be handled by trained personnel.
- Notify the Academy Director.
- Identify the assailant if possible.
- Make sure the victim is in a secure place.

- Identify the location of the crime.
- Assist law enforcement or medical personnel responding to the incident as needed.
- Do not touch, move or collect any evidence unless that evidence may be lost if you do not. If you have to collect evidence, record the following information:
  1. Item seized,
  2. Time seized, and
  3. Location seized.
- If evidence is given to you, record the following information:
  1. The person's name, address, telephone number and date of birth,
  2. The item given to you,
  3. The time and location where the person seized the item,
  4. The time you received the item, and
  5. Document chain of custody of the evidence.

### Victim's Rights

- To have all incidents and medical records kept confidential
- To be treated without prejudice based upon race, class, lifestyle, sex, age, occupation, or religious beliefs
- To receive private and confidential examination/treatment for personal injuries, sexually transmittable disease, and pregnancy.
- To be considered as credible as a person reporting any other crime
- To be made aware of the options available through Bellus Academy and the judicial system
- To receive emotional and psychological support and advocacy
- To prosecute or not to prosecute
- To receive current information on community and campus resources
- To answer only those questions relevant to the crime
- To freedom from harassment
- To feasible class schedule adjustments (without academic or financial penalty) as necessary to minimize the potential for contact with the alleged perpetrator or those associated with the alleged perpetrator. Student Services will assist victims with any academic concerns or change in class schedule requests that are feasible.

### Sex Offender Registration

In accordance to the "Campus Sex Crimes Prevention Act" of 2000, which amends the Jacob Wetterling Crimes Against Children and Sexually Violent Offender Registration Act, the Jeanne Clery Act and the Family Education Rights and Privacy Act of 1974.

This act requires institutions of higher education to issue a statement advising the campus community where law enforcement information provided by a State concerning sex offenders may be obtained. It also requires sex offenders already required to register in a State to provide notice of each institution of higher education in that State at which the person employed, carries a vocation, or is a student.
