TERMS OF PAYMENT

In addition to Financial Aid Assistance for qualifying students, individual financing and payment programs are available. Monthly payments vary according to down payment, applicable fees, any interest accrued and the length of time (number of months) defined in the payment contract.

TUITION AND FEES

Tuition, kits and fees are charged on the first day of class. Payments are accepted by cash, check (there is a \$25 fee for returned checks) or credit card. For those students using financial aid, payments are due when the aid is received at the academy.

Students who do not make payment arrangements or fail to make their scheduled payments, may be subject to termination from the program and/or the student's account turned over to collections.

All contracted tuition, fees, application, equipment, kit and overtime charges must be paid, or payment arrangements made, before final paperwork is released.

OVERTIME CHARGES

Overtime occurs when a student has not completed their program of study by the completion date stated on their Enrollment Agreement. Students can attend beyond their scheduled completion date to complete their program, at no additional charge, up to 7.5% of their total program hours. (See Tuition and Fee Schedule in this catalog for specific hours.) If training is not completed by the prescribed time limit, and the allowable absence hours have been exhausted, additional tuition charges will accrue at the hourly rate stated on the student's contract at the time of enrollment until the time the student meets the graduation requirements. (See the Overtime Hourly Rate for each program in the above Tuition and Fee Schedule.) Absence hours, whether allowable or overtime, will cause the student to miss the completion date as stated on the Enrollment Agreement, unless they are canceled out by making up hours. Students must meet with Financial Aid to determine a payment plan at the time that overtime charges begin to accrue.
