BARBERING- 1500 Hours

Not currently offered

Method of Delivery: Residential

SOC Code 39.5011 The Barbering program of instruction consists of 1500 hours. The minimum requirement for Kansas State Board licensing is 1200 hours and the maximum requirement is 1500 hours. Bellus Academy utilizes the maximum training hours in order to incorporate its proprietary system, which utilizes verbal, written, visual and hands-on instruction throughout the classroom and clinic floor practicum. The program length for the Day Schedule is 43 weeks and the Evening Schedule is 60 weeks. Along with high-quality technical training students will learn career development skills such as client consultation, business tracking systems, and marketing strategies, as well as receiving Financial Literacy training. The following is a list of the state of Kansas requirements for technical and practical criteria. The instructional program of our academy meets or exceeds these requirements.

Course Objectives:

Upon completion of the 1500-hour program, the student will have had the opportunity to acquire the technical abilities and the academic theories in compliance with the requirements of the Kansas Board of Barbering. The skills and theories of each service are presented in a progressive manner permitting each student to acquire the maximum degree of technical ability and knowledge.

Units of Study:

The following units of study are established in our barbering program. Listed below the topics are the subject descriptions that incorporate all areas required by the State Board of Barbering for licensure. Following the subject description section is a list of items/areas covered in each subject. A barbering student shall not work on the public until the student has completed 320 hours of training.
