COSMETOLOGY

Method of Delivery: Residential

SOC Code 39-5012 This is a program of study in the basic services, theories and principles of Cosmetology Arts and Sciences. The minimum length of the program is 1500 clock hours. The program length for the Day Schedule is 43 weeks and the Evening Schedule is 60 weeks. Bellus Academy students are trained using the Bellus Cutting and Color system, which utilizes verbal, written, visual and hands-on instruction throughout the classroom and clinic floor practicum. Along with high-quality technical training students will learn career development skills such as client consultation, business tracking systems and marketing strategies, as well as receiving Financial Literacy training. Listed below are units of study requirements for Kansas technical and practical criteria. Our curriculum meets or exceeds the minimum standards.

Course Objectives:

Upon completion of the 1500-hour program, the student will have had the opportunity to acquire the technical abilities and the academic theories in compliance with the requirements of the Kansas Board of Cosmetology. The skills and theories of each service are presented in a progressive manner permitting each student to acquire the maximum degree of technical ability and knowledge in a minimal length of time.

Units of Study:

The following units of study are established in our cosmetology program. Listed below the topics are the subject descriptions that incorporate all areas required by the State Board of Cosmetology for licensure. Following the subject description section is a list of items/areas covered in each subject. A cosmetology student shall not work on the public until the student has completed 320 hours of training.
