ESTHETICS 102

Method of Delivery: Residential

SOC Code 39-5094 and 39-5091 The Esthetician 102 program is an 1150-hour program combining the 1000-hour program of study in the services, theories and principles of Esthetics required for state board licensing and 150 hours of Makeup training utilizing the Make-up Designory (MUD) curriculum. The program length for the Day Schedule is 33 weeks. The program length for the Night Schedule is 46 weeks. The Makeup Artistry portion of the program adds an additional level of skills to the student's training and expertise. Bellus Academy esthetic students are trained using the Bellus Academy System of education, which utilizes verbal, written, visual and hands-on instruction throughout the classroom and clinic floor practicum. Along with high-quality technical training students will learn career development skills such as client consultation, business tracking systems and marketing strategies, as well as receiving Financial Literacy training. Listed below are units of study requirements for Kansas technical and practical criteria. Our curriculum meets or exceeds the minimum standards.

Course Objectives:

Upon completion of the 1300-hour program, the student will have had the opportunity to acquire the technical abilities and the academic theories incompliance with the requirements of the Kansas Board of Cosmetology. The skills and theories of each service are presented in a progressive manner permitting each student to acquire the maximum degree of technical ability and knowledge in a minimal length of time.

1. To successfully prepare the student to pass the exam.
2. To prepare students for entry level employment
3. To develop personality skills as well as mechanical skills suitable for the field of Esthetics
4. To develop marketing and sales skills to become a successful Esthetician.

Project a sense of personal integrity and self-confidence; practice proper grooming, effective communications skills, and visual poise; reflect a strong business and professional work ethic; perform basic manipulative skills required for successfully performing cosmetology practices, including effective use of required implements and equipment, proper application of corrective and special event makeup, unwanted hair removal, and lash/brow tinting; apply theoretical and technical knowledge to assure sound judgments, decisions, and procedures; practice effective business building skills encompassing successful service delivery, product prescription, and education of the client in proper home care regimen. To ensure continued career success, the graduate will continue to learn new and current information related to techniques, trends, and methods for career development in Cosmetology, Makeup Artistry and related positions.

Units of Study:

The following units of study are established in our esthetics program. Listed below the topics are the subject descriptions that incorporate all areas required by the State Board of Cosmetology for licensure. Following the subject description section is a list of items/ areas covered in each subject. An esthetics student shall not work on the public until the student has completed 130 hours of training.
